SECTION C

DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

C.1 GENERAL STATEMENT - SCOPE OF WORK

- .1 The Architect of the Capitol is seeking a Janitorial/Cleaning Contractor to perform comprehensive housekeeping services in the Senate Employees Child Care Center (SECCC), under a firm-fixed unit price contract. The Contractor shall perform the work required by this contract in accordance with established industry standards and the requirements stated herein, in order to achieve a high quality of cleaning services within the SECCC. The Contractor, through innovation, technology, or other means, shall perform the required cleaning services at frequencies determined by the Contractor or as specified in the contract for the SECCC. The Contractor shall provide all labor, management, materials and supplies to perform the required cleaning services. The scope of work in this document describes general levels of service expectations. This is a performance based contract and successful performance will be evaluated by the Government, based on the tenant's satisfaction, inspections and best trade practices. The Government's objective and expectation is that the contractor will perform at a high quality level and will not have to be directed by the Government to perform or re-perform any tasks. If however, through tenant complaints, inspections or review of cleaning practices problems are found, the Contractor will be directed by the Government to perform, re-perform or change a cleaning task, cleaning process or frequency of cleaning. Final results will be the determining factor for the success or failure of this contract.
- .2 The personnel employed by the Contractor shall be capable employees, trained, and qualified in custodial work. The building shall be fully staffed in accordance with the staffing plan proposed by the offeror and accepted by the Government by the contract start date.
- .3 The SECCC contains approximately 9,000 gross square feet. The scope of work of this contract shall include approximately 7,225 square feet of cleanable areas. Note: 1,775 square feet is mechanical rooms and these areas are not to be cleaned by Contractor.
- .4 The SECCC cleaning, includes the 6'-0" x 12'-0" exterior guard booth, located in the parking lot.
- .5 Failure to perform in accordance with the statement of work shall be subject to provisions of the articles entitled "NONPERFORMANCE OF SERVICES," "DEDUCTIONS FOR NONPERFORMANCE OF SERVICES," and "NONWAIVER" in Section G.

C.2 CONTRACT JOB MANAGER

- .1 The Contractor shall provide an on-site Contract Job Manager, exclusively for the Contract when work is being performed. The Contract Job Manager shall be literate in the English language and shall have full authority to act for the Contractor and serve at all times to carry out the provisions of the Contract.
- .2 The Contract Job Manager shall make sufficient inspections to insure the services are performed as specified. The Contract Job Manager shall use Assignment Checklists as appropriate for these inspections. The Contract Job Manager shall provide a copy of all such inspections to the Contracting Officer's Technical Representative (COTR) at the end of each work *week*.
- .3 The Contract Job Manager, or his/her designee, shall be on-call at all times during the performance of the work. The Contract Job Manager shall make him/herself available to the COTR to discuss

performance of the work or other provisions of the Contract.

- .4 The Contractor shall furnish the COTR with a list of telephone numbers where the Job Manager or his/her authorized representative(s) may be contacted seven days per week at any hour of the day or night to provide required services.
- .5 The Contract Job Manager shall be adequately trained in the compliance of all applicable OSHA, EPA, and other Federal, State and Local laws and regulations regarding the equipment and materials that may be encountered in the performance of the work.

C.3 SUPERVISION

- .1 The Contractor shall provide an adequate number of trained, qualified supervisors capable of providing sufficient supervision to accomplish the work at all times during which required cleaning and/or policing is being performed.
- .2 Each Supervisor, to the satisfaction of the Architect of the Capitol, shall be capable of verbal and written communication in the English language and shall be able to adequately communicate with all of the Service Workers.
- .3 The COTR may require the Contractor to remove any Supervisor if it is determined the individual is not performing the work in accordance with the terms and conditions of the Contract.

C.4 CONTRACTOR'S PERSONNEL

- .1 The Contractor shall provide trained and qualified personnel at all levels of required job performance. The Contract Job Manager, supervisor/s and all assigned employees shall be able to perform the work in accordance with the Contract Documents.
- .2 Within the premises whether on or off duty, the Contractor's employees shall conduct themselves in an orderly and safe manner. Smoking is not permitted. Fighting or engaging in horseplay, being under the influence of alcohol or drugs or bringing alcohol or drugs into the SECCC, gambling, soliciting, stealing, taking pictures or bringing cameras or other photographic devices anywhere on the property, and any immoral or otherwise undesirable conduct shall not be permitted and shall result in immediate and permanent removal of any employee engaging in such conduct from work under this contract.

C.5 GOVERNMENT FURNISHED UTILITIES AND EQUIPMENT

- .1 Electrical power at existing outlets will be furnished by the Government for the operation of such equipment necessary for the effective performance of the contract work. Portable cords for power-operated equipment shall be properly grounded and installed as approved by the Architect of the Capitol. Hot and cold water is also provided, from existing outlets. No new supply locations or special temperature sources of hot or cold water will be provided. The Contractor shall protect from damage all existing outlets for utilities and shall repair any damage to these facilities resulting from failure to comply with the requirements of the Contract, or failure to exercise reasonable care in performing the work. If the Contractor fails or refuses to repair the damage promptly, the Contracting Officer may have the necessary work performed and charge the cost to the Contractor. In addition, the Contractor shall use all reasonable care to conserve the utilities provided.

C.6 GOVERNMENT-FURNISHED PROPERTY

.1 RESERVED.

C.7 CONTRACTOR FURNISHED SUPPLIES, MATERIALS, CHEMICALS, TOOLS AND EQUIPMENT

- .1** The Contractor shall furnish all supplies, including C-fold paper towels, hand soap Amphotene Hypo Allegenic #0051 and Amphotene Hypo Allegnic #1201), toilet tissue, toilet seat covers, non-perforated paper towel rolls, sanitary napkin disposal liners, minimum thickness of 2 mils plastic bags, materials, tools and equipment required for the performance of the work. The Contractor shall furnish all Material Safety Data Sheets (MSDS) for any materials used in the performance of this contract. See the attachment entitled, "CHEMICALS AND SUPPLIES," for additional requirements for these items. The Contractor shall also provide protective clothing for workers involved with the cleaning of rest rooms and clinic areas to prevent the possible transmission of disease.
- .2** The Contractor is prohibited from the using propane-fueled portable equipment in the performance of the work required by this contract.
- .3** The Contractor shall furnish the AOC approved cleaning materials and equipment for the custodial services. Should the Contractor fail to furnish these supplies upon request, the Government will purchase them and the Contractor shall be assessed all associated costs.
- .4** The Contractor shall use a vacuum cleaner equipped with a High Efficiency Particulate Air (HEPA) filter designed to trap smaller dirt and dust particles consistently. This special filter is to be used at all times with all vacuum cleaners throughout the SECCC. The vacuum cleaner shall have a completely sealed filter system. Some examples of the canister and upright vacuums and power teams with HEPA filters in completely sealed systems are the Miele S658i Blue Moon, Lindhaus HF6, Miele S514i Solaris Electro Plus and the Lindhaus HEALTHCAREpro HEPA. The vacuum bags shall be changed every 5 in use days to prevent the release of dust or dirt. Filters shall be changed in accordance with the manufacturer instructions.

C.8 GOVERNMENT PROVIDED SPACE

- .1** The Contractor will be provided a space of approximately 6 feet by 4 feet to be used for storing supplies, materials and equipment in addition to being used as locker by the Contractor's employees. The Contractor shall keep such area clean and orderly at all times.
- .2** The Contractor will be responsible for the protection of any elevator used to transport supplies, equipment and materials. The Contractor will be held liable for any damage by Contractor employees.
- .3** Failure to keep any of the facilities above in a clean condition satisfactory to the Contracting Officer may result in withdrawal of the privilege of using them or the Contracting Officer may have them cleaned and the cost of such work charged to the Contractor.
- .4** The Contractor is required to coordinate the receipt and/or deliveries of supplies to avoid interference with other operations. The Contractor may be subject to security checks by the U.S. Capitol Police on all incoming and outgoing deliveries. Vehicle access for deliveries of supplies be coordinated with the U.S. Capitol Police.

C.9 NEEDED REPAIRS

- .1 The Contractor shall be responsible for promptly notifying the COTR, or his designated representative, of needed repairs and/or damage to fixtures or the facility observed during the performance of the work. See the attachment entitled "FORM A - NEEDED REPAIRS REPORT" listed in Section J, as an example of the type of form the Contractor shall use for this purpose. Any item of a critical, priority, or emergency nature will be verbally reported to the COTR immediately upon discovery with written notification to follow prior to the end of the work shift.

C.10 OFFICE PAPERS AND EQUIPMENT

- .1 The Contractor shall prohibit his employees from disturbing papers on desks, opening desk drawers or cabinets, or using the telephone or office equipment in the SECCC.
- .2 The Contractor shall not be responsible for the cleaning of office equipment such as computers, copiers, typewriters, etc.

C.11 PARKING

- .1 Parking for the Contractor's employees is available in the Child Care Center employees parking lot between 7:00 p.m. and 6:00 a.m.

C.12 TIMELY PERFORMANCE

- .1 The Contractor shall be responsible for the complete and timely performance of all the services under the Contract.
- .2 If The Contractor fails to maintain the approved schedule of progress, or if in the opinion of the Architect of the Capitol, the Contractor's work methods are not adequate to assure completion of the work per the allotted schedule, the Architect of the Capitol may direct the Contractor, at no additional costs to the Architect of the Capitol, to revise his work schedule to ensure completion of the work.

C.13 RELIEF FOR ABSENTEEISM AND VACATION SCHEDULES

- .1 The Contractor shall provide relief personnel as necessary and work overtime if required at no additional cost to the Architect of the Capitol to ensure that the work is performed as specified.

C.14 CARPET CLEANING

- .1 *The Contractor is responsible for implementing a well planned carpet maintenance program by using a truck mounted steam cleaning system for all carpeted areas.*
- .2 Rugs and carpet shall be maintained clean of smudges and odors. There shall not be any obvious dirt, dust, soil substances, spillage or stains. There shall be no evidence of carpet fuzzing.
- .3 For the purpose of this contract, whenever the term carpet or carpeting is used, it is intended to include wall to wall carpeting, room size rugs, area rugs and any other surface or item covered with carpet i.e., child benches, raised platforms, etc. unless otherwise specified.
- .4 *The carpets shall be steamed cleaned quarterly throughout the SECCC, the first Saturday every 3rd month. The Infant room, Young Toddler room and hallway carpet shall be steamed cleaned*

every 6th Saturday as needed. Contractor shall remove all furniture and articles to ensure that no items are left on the floor. The Government will replace all furniture and articles after floors are completely dry. Carpet cleaning shall be scheduled on Saturday's to allow 24 hours of drying time. The Contractor shall coordinate this effort to ensure that disruption, duplication of effort or scheduling conflicts do not occur.

- .5 In the event of an emergency condition (such as a parasite infestation) the Contractor shall provide an emergency steam cleaning at no additional cost to the Government. Contractor shall remove all furniture and articles to ensure that no items are left on the floor. The Government will replace all furniture and articles after floors are completely dry.
- .6 Walk-off mats shall be vacuumed daily. Walk-off mats will be picked up and cleaned by a separate vendor.

C.15 SPOT CLEAN CARPETS

- .1 Spot cleaning shall be accomplished by cleaning only the immediately affected area to remove any evidence of the dirt, soil, debris, liquid, stains, or other foreign material which necessitated the cleaning.

C.16 RESILIENT & CERAMIC TILE FLOORING (TO INCLUDE FLOORING IN RECEPTION AREA HAVING THE APPEARANCE OF WOOD)

- .1 Floor surfaces shall be maintained according to the highest standard of cleaning according to best trade practices.
 - .1 Floor surfaces shall be:
 - 1. Swept thoroughly in open areas and under all furniture and appliances to remove all loose particles, dirt, dust and food;
 - 2. Mopped with an appropriate cleaner to remove stains, smudges, marks and any other permanent substance not removed by sweeping.
 - 3. As a final cleaning process, the perimeter of the floors (infant area) shall be wiped with a damp cloth where accessible to ensure that all substances are removed that may otherwise be missed with a mop or broom.
 - 4. Furniture shall be moved to ensure that all areas of the floor are cleaned. This is extremely important in an atmosphere where toddlers have constant access to the floor and exposed to any debris left behind.
 - 5. Floor surfaces requiring a finish shall have a uniform appearance without obvious unsightly buildup.
 - 6. All surfaces shall be slip resistant.
 - 7. Cleaning shall be performed daily to prevent the possibility of permanent stains or damage.
 - 8. Stripping shall be done every three months. Contractor shall remove all furniture and articles to ensure that no items are left on the floor. The Government will replace all furniture and articles after floors are completely dry. The Contractor shall coordinate this effort to ensure that disruption, duplication of effort or scheduling conflicts do not occur.

C.17 WOOD PANELING, WAINSCOTTING, CROWN MOLDING, AND OTHER WOOD SURFACES

- .1 Surfaces shall be free of visible dirt and dust.

C.18 STAIRWELLS AND LANDINGS

- .1 Surfaces shall be free of dust, dirt, cobwebs, spillage and other visible and removable soil substances.
- .2 Carpeted surfaces shall be free of visible dirt, dust, spots, and spillage as defined below in Room Cleaning.

C.19 WALLS, WALL COVERINGS AND CEILINGS

- .1 Visible signs of water spots, soil substances, dust, smudges, and marking shall be removed from all surfaces. There shall be no cobwebs, accumulation of dust, or soil substances on walls, air conditioning/heating grills/ducts, and light fixtures.
- .2 Water spots observed on the walls, wall coverings, or ceilings shall be reported to the COTR.

C.20 VENETIAN BLIND CLEANING

- .1 *Both sides of blinds slats and tape shall be maintained clean and free of dust. All blinds shall be damp washed quarterly.*
- .2 Dust all window frames and sills.

C.21 ELEVATOR (FREIGHT/PASSENGER)

- .1 All vertical and horizontal surfaces shall be clean and free of visible dirt, dust, smudges, soil substances or other foreign matter.
- .2 Metal surfaces shall be free of obvious smears, smudges, or soil substances.
- .3 *Floor surfaces and elevator door tracks shall be clean and maintained free of soil or foreign substances.*

C.22 ENTRANCES, LOBBIES AND CORRIDORS

- .1 Floor surfaces shall be maintained according to best trade practices. Floor surfaces shall be free of obvious trash, debris, dirt, marks or foreign matter. Floor surfaces shall have a uniform appearance without obvious unsightly buildup. All surfaces shall be slip resistant.
- .2 Glass entrance doors shall be cleaned on both sides. Window sashes, sills, woodwork/metal work and other surrounding surfaces shall be wiped free of dripping and marks. All glass surfaces shall be maintained clean and free of dirt, dust, fingerprints and water spots. Throughout SECCC windows are plexiglass and need appropriate cleaning with special designed cleaner. Note: Exterior window cleaning is performed under a separate contract and is not a part of the work of this contract.

C.23 OFFICE SPACE

- .1 Due to the high visibility and professional functions in these areas, the custodial services provided must be of the highest quality. These areas shall be completely free from removable dirt, dust, soil substances, stains, or marks. Computer and electronic equipment shall not be moved, turned on or off or tampered with in any manner.

C.24 CHILD CARE CENTER

- .1 The entire area will be maintained to meet a Health Unit/Clinical area cleaning level. Extreme care shall be taken to ensure only non-toxic and environmentally safe custodial products are used in this area. All cleaning personnel must wear sanitized shoe protection while in infant areas. These are provided by the Government.
- .2 This space, including restrooms, must receive the highest quality cleaning, free from filth or bacteria that could be perceived or that may endanger health. Walls, doors and floor surfaces shall be clean and free of hand markings, smudges, soil substances, dust, dirt, grease or oil.
- .3 Services delivered should demonstrate a clear understanding, knowledge and intent to practice and preserve healthy and sanitary conditions in addition to presenting an overall portrayal of cleanliness.

C.25 EXTERIOR GROUNDS, PARKING LOTS, GARAGE/BALCONIES, VEHICULAR COURTS, ARCADES, AND SIDEWALKS

- .1 All areas shall present a clean appearance, free of litter, dirt, trash, debris, and discarded items. There shall be no obvious signs of liquid spillage, stains, or foreign matter on concrete, brick, or other hard surfaces.
- .2 All exterior areas surrounding the building shall be policed at a frequency that will prevent trash and debris from accumulating. This includes hosing down exterior areas surrounding the building, if weather permits.
- .3 When exterior cleaning or policing is performed, persons shall use all safety equipment and procedures required in Occupational Safety and Health Administration (OSHA) 29 CFR 1910.1030. This includes the possible handling of syringes, human and other animal excrement.

C.26 PLATFORMS, RAMPS AND DRIVEWAYS

- .1 These areas shall be maintained to ensure that they are free of trash, debris, and other discarded materials. Frequent policing may be required.

C.27 KITCHEN AREAS

- .1 Kitchen counters, walls, floors, sinks, fixtures, exterior of refrigerators, stoves and microwaves shall be free of spillage, spots, smudges or marks. Dispose of kitchen garbage daily to designated trash bins adjacent to building. Wash and disinfect cans, as necessary, inside and out used for the collection of food.

C.28 RESTROOMS (INCLUDING LOUNGE AREAS, LOCKER ROOMS, SHOWER STALLS, WATER FOUNTAINS AND UTILITY SINKS)

- .1 All plumbing fixtures shall be clean, disinfected, and bright with no obvious dust, stains, streaks, soil

substances, rust, mold, or encrustation.

- .2 All floor and wall grout will be maintained free of any visible dirt, grime, or finish buildup.
- .3 Supplied dispensers including roll towels, toilet tissue, c-fold towels, soap, seat covers, etc., shall be continuously maintained and refilled each day as necessary to meet the needs of the occupants (paper products and supplies to be supplied by the contractor).
- .4 Waste receptacles and sanitary napkin containers shall be emptied and disinfected with new bags inserted daily.
- .5 There shall be no sign of obvious dust, soil substances, or dirt on the walls, mirrors, stalls, and metal surfaces. These areas shall present a clean and sanitized appearance and shall be maintained odor free.
- .6 The Contractor shall service all restrooms to maximum capacity during the last day of the contract period. Dispenser stock of paper supplies remaining at the termination of the last official work day shall not be removed and shall become the property of the Government.
- .7 Consumption of paper products may increase on occasion due to increased traffic. The diaper changing areas, kitchen and restrooms will require additional policing and servicing by the Contractor to meet these needs.

C.29 ROOM CLEANING (INCLUDES ALL SPACE NOT SPECIFICALLY IDENTIFIED ELSEWHERE IN THIS CONTRACT) I.E. GUARDS BOOTH, DESK OR COUNTERS

- .1 All space within the building shall be clean and show no signs of negligent in custodial practices. Room furnishings and walls shall be free of visible dirt, dust, cobwebs, and stains.
- .2 Floor surfaces shall be maintained clean and free of dirt, soil substances, food and debris.
- .3 All surfaces shall present a uniform appearance, free of spots, scuff marks, and spillage.
- .4 In dusting of horizontal spaces, working papers shall not be disturbed. However, desk type items shall be lifted and dust removed from the surrounding area.
- .5 *Guards Booth glass entrance door shall be cleaned on both sides. Window sashes, sills, woodwork/metal work and other surrounding surfaces shall be wiped free of dripping and marks. All glass surfaces shall be maintained clean and free of dirt, dust, fingerprints and water spots. Carpet shall be vacuumed daily.*

C.30 METAL SURFACES

- .1 All surfaces shall be maintained to ensure they are free of smears, smudges, stains, or other soil substances and present a uniform polished appearance.

C.31 MIRRORS, PICTURES, AND GLASS SURFACES

- .1 Surfaces shall be clean and free of visible dirt, dust, smudges, or soil substances.

C.32 TRASH/DEBRIS COLLECTION

- .1 All trash and debris materials generated in and around the building shall be collected and moved to the designated areas specified by the COTR. Bags of trash or debris material shall not be left in the public areas. The Contractor shall comply with OSHA 29 CFR 1910.41.

C.33 WASTEBASKETS/RECEPTACLES

- .1 Wastebaskets and trash receptacles containers, including Guard Booth, in and around the building shall be maintained free of trash, debris, residue and odor. All waste baskets shall be provided with plastic bags and shall have a minimum thickness of 2 mils. All wastebaskets and trash receptacles shall be supplied with an extra folded liner stored in the bottom at all times.

C.34 DIAPER PICK-UP

- .1 Contractor shall empty all diaper pails and return them to their appropriate location. The pails shall be disinfected with an AOC approved disinfecting agent and wiped on all sides prior to installing a new, clean liner with a minimum thickness of 2 mils. Diaper pails shall be clean and free of trash, dirt, smudges, stains and odors. Soiled diapers will be sealed in plastic bags for removal from the area and shall be emptied into a Government furnished 80 gallon trash toter.

C.35 ADDITIONAL REQUIREMENTS

- .1 Lights shall be used only in areas where work is actually being performed.
- .2 Mechanical equipment controls for heating, ventilation, and air-conditioning systems will not be adjusted by contractor's employees.
- .3 Water faucets or valves shall be turned off after the required usage has been accomplished.
- .4 Lights and fans should be turned off and windows closed when not in use.
- .5 Report all hazardous conditions to the COTR.
- .6 Turn in lost and found articles to the COTR.
- .7 Notify the Security Officer on duty when unauthorized or suspicious persons are seen on the premises.

SECTION F
DELIVERIES OR PERFORMANCE

FAR 52.242-15 STOP-WORK ORDER (AUG 1989)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either --

(1) Cancel the stop-work order; or

(2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if --

(1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and

(2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

(End of clause)

AOC52.211-4 TERM OF CONTRACT

(a) The term of contract shall be from date of award through September 30, 2007, with four (4) one-year options.

PERFORMANCE LOCATION

- (a) Custodial and related services will be performed at:

**Senate Employee Child Care Center
321 Massachusetts Avenue, N.E.
Washington, D.C. 20510**

HOURS OF PERFORMANCE

- (a) Because of the special nature of this facility, access to the building and to the various rooms in the building will be limited to after hours as described: **7:00 p.m. to 6:00 a.m. (Monday – Friday).**
- (b) Each employee and supervisor requiring access will be issued electronic photographic ID cards to disarm the system by swiping upon entry. There is a second silent alarm that has to then be disarmed with a PIN CODE. A separate PIN CODE will be issued to each employee designated to work at the SECCC. These steps allows the employees to enter and exit the building freely as the job requires without tripping any alarms, however, the door automatically locks each time it is opened thereby requiring the use of the electronic swipe card to gain entry each time.
- (c) Upon close of business it is the responsibility of the custodial personnel to make sure that all exit doors are locked and that the silent alarm is reactivated by entering their PIN CODE upon exiting the building.
- (d) The Architect of the Capitol or his designated representative may change hours of performance at any time by written notice to the Contractor.
- (e) The Contractor is not required to provide cleaning services on the following Federal Holidays: New Year's Day, January 1; Martin Luther King Day, Third Monday in January; President's Day, Third Monday in February; Memorial Day, Last Monday in May; Independence Day, July 4; Labor Day, First Monday in September; Columbus Day, Second Monday in October; Veteran's Day, November 11; Thanksgiving Day, Fourth Thursday in November and the following Friday; and Christmas Day, December 25.

CONTRACTORS PERFORMANCE DELIVERABLES

- (a) The Contractor shall be required to submit deliverables and reports at specified times throughout the life of this contract which are considered critical to the successful completion of all contractual requirements.
- (b) The following milestone chart lists deliverables and reports which will be provided by the Contractor at specified due dates, without exception.

SECTION G
CONTRACT ADMINISTRATION DATA

AOC52.201-1 CONTRACTING OFFICER'S AUTHORITY (JUN 2004)

The Contracting Officer is the only person authorized to make or approve any changes in any of the requirements of this contract, notwithstanding any provision contained elsewhere in this contract. In the event that the Contractor makes any change at the direction of any person other than the Contracting Officer, the change will be considered to have been made without authority and no adjustment will be made in the contract price to cover any increase in costs incurred as a result thereof.

(End of clause)

AOC52.201-2 CONTRACTING OFFICER'S TECHNICAL REPRESENTATIVE (COTR)
(MAR 2005)

The Government shall provide the name, address and telephone number of the COTR at the time of contract award and the duties thereby delegated to that person. Any subsequent change to the individual or the individual's responsibilities will be confirmed in writing by the Contracting Officer. In no instance will the COTR be delegated authority to order any change in the contractor's performance which would affect (a) cost or schedule for contracts for services or supplies, or (b) scope, the completion date for intermediate phases or milestones, or overall completion date for contracts for construction.

(End of clause)

AOC52.211-1 KEY PERSONNEL (MAR 2005)

(a) The Contractor shall assign to this contract the following key personnel: (the name(s) of the key personnel shall be completed at time of award)

Name	Title	Telephone No.
_____	<u>Contract Job Manager</u>	_____

(b) During the first ninety (90) days of performance, the Contractor shall make no substitutions of key personnel unless the substitution is necessitated by illness, death, or termination of employment. The Contractor shall notify the Contracting Officer within 15 calendar days after the occurrence of any of these events and provide the information required by Paragraph (c) below. After the initial 90-day period, the Contractor shall submit the information required by Paragraph (c) to the Contracting Officer at least 15 calendar days prior to making any permanent substitutions.

(c) The Contractor shall provide a detailed explanation of the circumstances necessitating the proposed substitutions, complete resumes for the proposed substitutions, and any additional information requested by the Contracting Officer. Proposed substitutes should have comparable

qualifications to those of the person being replaced. The Contracting Officer will notify the Contractor within 15 calendar days after receipt of all required information of the decision on substitutions. The contract will be modified to reflect any approved changes of key personnel.

(d) The approval of substitute personnel will not be considered to be grounds for an increase in the contract price.

(e) The special security requirements in AOC52.223-5, Special Security Requirements - Services, or AOC52.223-6, Special Security Requirements - U.S. Supreme Court, shall apply to all approved Contractor personnel substitutions.

(End of clause)

AOC52.211-2 APPROVAL OF SUBSTITUTE CONTRACTOR PERSONNEL (JUN 2004)

(a) During the first ninety days of performance, the Contractor shall make no substitutions of personnel unless the substitution is necessitated by illness, death, or termination of employment. The Contractor shall notify the Contracting Officer within 15 calendar days after the occurrence of any of these events and provide the information required by paragraph (b) below. After the initial 90-day period, the Contractor shall submit the information required by paragraph (b) to the Contracting Officer at least 15 calendar days prior to making any permanent substitutions.

(b) The Contractor shall provide a detailed explanation of the circumstances necessitating the proposed substitutions, complete resumes for the proposed substitutes, and any additional information requested by the Contracting Officer. Proposed substitutes should have comparable qualifications to those of the person being replaced.

(c) This paragraph applies only to a labor hour or time-and-materials contract. The Unit Price (hourly labor rate) for the approved substituted personnel shall remain the same as the rates of the relevant labor category, in the applicable Base Year or any of the subsequent Option Years (see the "SCHEDULE OF ITEMS" in Section B).

(d) The special security requirements in AOC52.223-5, Special Security Requirements - Services, or AOC52.223-6, Special Security Requirements - U.S. Supreme Court, shall apply to all approved Contractor personnel substitutions.

(End of clause)

AOC52.223-5 SPECIAL SECURITY REQUIREMENTS - SERVICES (MAR 2006)

(a) All vehicles, and contents, used by the Contractor or his subcontractors, which enter or leave United States Government property during performance of the work, will be subject to clearance, inspection and identification procedures conducted by the United States Capitol Police.

(b) All persons entering the Legislative Branch Buildings shall gain access to the building by passing through x-ray screening devices. In addition, all handbags and all hand-carried items shall be screened by x-ray devices prior to their entry into the building.

(c) All personnel provided by the Contractor and employed on the site of the work will be subject to a security background investigation. Each employee will be required to fill out an I.D. Request Form and U.S. Capitol Police Request for check of Criminal History Records and each employee will be photographed and fingerprinted. The Contractor shall provide any assistance required by any of its employees in completing the forms.

(d) Prior to commencement of work, the contractor and all designated on-site employees will be required, on a one-time basis, to be fingerprinted in Washington D.C. The location for the Electronic Fingerprinting Service is the U.S. Capitol Hill Police, Fairchild Building, 499 South Capitol Street SW, Washington, DC 20003.

(e) Within seven (7) calendar days after the date of contract award, the Contractor shall submit to the Contracting Officer's Technical Representative (COTR) a list of all employees proposed to be employed on this contract. This list shall include the employee's full name, date of birth and social security number.

(f) While security background investigations are in process, the Contractor's employees must not be granted access to the Capitol Hill complex to perform work or provide services for the AOC unless they are escorted by an AOC staff member. "Escorted" is defined to mean that the AOC staff member will remain with the employee(s) at all times during the performance of the work. Any of the Contractor's employees who are perceived by the Contracting Officer as a security risk as a result of evidence discovered in the background security investigation, will not be issued an Identification Card, will be denied access to the site of the work, and the Contractor will be directed to remove such employee from performance of any of the contract work, whether it be on or off the work site. Any contractor employee denied access to the site of work on a contract or task/delivery order as a result of a security investigation may not apply for access to any other AOC/U.S. Supreme Court contract or task/delivery order work site.

(g) An identification card, with photograph, will be prepared for each employee of the Contractor requiring access to the site. The identification card shall be dated to indicate the period of time for which it is to remain valid - from the date the employee reports for duty until the applicable date which occurs first: the expiration of the contract, or the last date of the employee's tour of duty with the Contractor. All contractor personnel must wear the ID badge whenever on the Capitol complex premises or when attending off-site functions on behalf of the AOC. ID badges must be worn in such a manner that contractor personnel can be easily identified as such.

(h) All persons entering the Legislative Branch Buildings shall gain access to the building by passing through a magnetometer. In addition, all handbags and all hand-carried items shall be screened by x-ray devices prior to their entry into the building.

(i) The Contractor is fully responsible to return:

(1) The ID badge of any individual employee, including subcontractor personnel, who is removed for any reason including but not limited to illness, or dismissal;

(2) The ID badges of all contractor employees, including subcontractor personnel, whose performance under the contract is completed in advance of final contract job completion; and

(3) All outstanding ID badges issued for the contractor and its employees, including subcontractor personnel, within 24 hours of on site contract job completion.

(j) ID badges are to be hand delivered by the contractor within 24 hours of any of the events listed under (f) above to the Contracting Officer's Representative.

(End of clause)

AOC52.223-7 SPECIAL SECURITY CLEARANCE AND INSPECTION PROCEDURES (JUN 2004)

(a) All vehicles and contents used by the Contractor or his subcontractors which enter or leave United States Government property during performance of the work will be subject to clearance, inspection, and identification procedures conducted by the United States Capitol Police. See the attachment entitled "U.S. CAPITOL POLICE NOTICE" in Section J for instructions prior to delivery.

(b) All persons entering the Legislative Branch Buildings shall gain access to the building by passing through x-ray screening devices. In addition, all handbags and all hand-carried items shall be screened by x-ray devices prior to entry into the building.

(End of clause)

AOC52.223-8 DELIVERY VEHICLE INSPECTION REQUIREMENTS (MAR 2006)

(a) All vehicles and contents used by the Contractor or his subcontractors which enter or leave United States Government property during performance of work under this contract will be subject to clearance, inspection, and identification procedures conducted by the United States Capitol Police.

(b) *Mobile Vehicle and Cargo Inspection System (Mobile VACIS).* All delivery vehicles carrying fuel, garbage, or similar cargo that cannot be offloaded for inspection and security screening shall utilize the Mobile VACIS located at Third and Pennsylvania Avenue, NW, Washington, DC, for inspection prior to making deliveries to any building within the Capitol Complex, including, but not limited to, the U.S. Capitol Building; the U.S. Botanic Garden; the Hart, Dirksen, and Russell Senate Office Buildings; the Rayburn, Longworth, Cannon, and Ford House Office Buildings; the Thomas Jefferson, John Adams, and James Madison Memorial Library of Congress buildings; the Capitol Power Plant; the Capitol Visitors Center; and the U.S. Supreme Court and Thurgood Marshall Federal Judiciary Buildings.

(1) For deliveries requiring Mobile VACIS inspection, within seven calendar days or prior to the first delivery, the contractor shall provide the following information to the U.S. Capitol Police:

- (i) List of drivers;
- (ii) Date of birth for each driver;

- (iii) Social Security Number of each driver;
- (iv) Vehicle make;
- (v) Vehicle model;
- (vi) License tag number and state where vehicle is licensed;
- (vii) Color of vehicle; and
- (viii) Contractor name, if shown on the vehicle.

(2) Information for deliveries made through the Mobile VACIS unit must be faxed to (202) 228-4313. For verification of receipt, the contractor may call (202) 224-9728.

(3) Updates to the above information for Mobile VACIS deliveries must be sent to the U.S. Capitol Police throughout the period of performance of the contract.

(c) *4700 Shepherd Parkway SW inspection facility.* All other vehicles making deliveries to the above listed locations except for the Thomas Jefferson, John Adams, and James Madison Memorial Library of Congress buildings and the U.S. Supreme Court shall utilize the off-site inspection and screening facilities at 4700 Shepherd Parkway SW, Washington DC 20032.

(End of clause)

NONPERFORMANCE OF SERVICES

(a) The work shall be considered not to have been performed when, in the judgement of the Contracting Officer's Technical Representative, any one or more of the following conditions exist:

- (1) The services in an area were not performed in accordance with the requirements of this Contract.
- (2) The specified equipment, tools, or chemicals were not available, were not used, were not used correctly, or were not in good operating condition.

(b) If the Government does not require correction or reperformance, the Contracting Officer shall make an equitable adjustment in the contract price, in accordance with the article entitled "DEDUCTIONS FOR NONPERFORMANCE OF SERVICES" in this section.

DEDUCTIONS FOR NONPERFORMANCE OF SERVICES

(a) All services required by the Contract shall be performed in an area before that area is considered acceptable and approved for payment. The value of a deduction for non-performance in an area where the Contractor has failed to provide acceptable service shall be determined in accordance with the following formula. Result of the equation to be expressed in decimals, and rounded to two decimal places:

(1) Unit price per month (see the article entitled "SCHEDULE OF ITEMS" in Section B) divided by building cleaning area (see the attachment entitled "BUILDING INFORMATION" listed in Section J); further divided by 22 workdays (holidays included). This number is then multiplied by the total area which is directly affected by such nonperformance.

(b) Since an area cannot be considered acceptable and approved if all the required services have not been completed, the smallest area for which a deduction shall be made for nonperformance of services shall be the total area which is directly affected by such nonperformance. For example: if a urinal in a rest room were not cleaned in accordance with the Specifications, then the whole rest room shall be considered to be unacceptable. In cases involving such areas as corridors, if obvious soil such as a coffee spill is not removed, the deduction shall be based on an area of 500 square feet.

NONWAIVER

Failure of the Contracting Officer's Technical Representative or Inspector/s to discover or to reject services which are unacceptable and are not in accordance with the Contract, shall not be deemed an acceptance thereof nor a waiver of the Government's right to proper execution of the Contract or any part of it by the Contractor.

SECTION I CONTRACT CLAUSES

AOC52.202-1 DEFINITIONS (JUN 2004)

- (a) The term "head of the agency" as used herein means the Committee, Commission, or other authority of the Legislative Branch of the Government having final jurisdiction or supervision over the work involved. The term "other authority" as used in this paragraph includes the Contracting Officer in cases in which he has final jurisdiction or supervision over the work involved.
- (b) The term "Architect" as used herein means the Architect of the Capitol.
- (c) The term "Contracting Officer" as used herein means the Architect of the Capitol or his duly authorized representative.
- (d) The term "his duly authorized representative" as used herein means any person or persons or board authorized to act for the head of the agency within the scope of their authority.
- (e) Except as otherwise provided in this contract, the term "subcontracts" includes purchase orders placed for performance under this contract.

(End of clause)

AOC52.203-1 ADVERTISING/PROMOTIONAL MATERIALS (DEC 2005)

- (a) It is the policy of the Congress to discourage contractors providing services and supplies to the Legislative Branch entities, including the Architect of the Capitol, from advertising practices that feature the Capitol and Capitol Complex in a manner in which conveys, or is reasonably calculated to convey, a false impression of sponsorship, approval or endorsement of any product or service by the Congress, the Government of the United States, or any Department, Agency or instrumentality thereof.
- (b) Contractors performing construction services for Legislative Branch entities, including the Architect of the Capitol, are discouraged from capitalizing on their contractual relationships with such entities and shall not engage in advertising practices which convey, or are reasonably calculated to convey, a false impression of sponsorship, approval or endorsement of any product or service by the Congress, the Government of the United States, of any Department, Agency or instrumentality thereof. This includes utilizing, in conjunction with the fact of their contractual relationship, images of the Capitol, any other buildings in the Capitol Complex, or any part of the United States Capitol Grounds in their advertising or promotional materials; and/or publishing or disseminating the aforementioned advertising or promotional materials.
- (c) The Contractor, by signing this contract, agrees to comply with the foregoing and to submit any proposed advertising or promotional copy connected in any manner with this contract and/or the Capitol, other Capitol Complex Buildings, or the United States Capitol Grounds to the Contracting Officer for approval prior to publication.

(d) If this solicitation is for supplies or services, including construction, to be provided to or performed for the United States Supreme Court, the Contractor, by signing this contract, agrees that he or she will not advertise the award of the contract in his/her commercial advertising in such a manner as to state or imply that the Supreme Court of the United States endorses a product, project, or commercial line of endeavor.

(End of clause)

AOC52.203-2 DISCLOSURE OF INFORMATION TO THE GENERAL PUBLIC (JUN 2004)

(a) Promptly after receiving any request from the general public for information on or data derived from this contract, the contractor shall notify the Architect of the Capitol, Procurement Division. The contractor shall cooperate with the Procurement Division in compiling or collecting information or data if the Architect of the Capitol determines the information or data to be releasable.

(b) "General public", for purposes of this clause, are those groups or individuals who are not authorized by law or regulation to have access.

(c) This clause is not intended to prevent the contractor from providing contract information or data which the contractor is required to provide in order to conduct its business, such as insurance, banking, subcontracting.

(d) The contractor is permitted to request that proprietary information or data not be released if such release would harm or impair the contractor in conducting its normal business. Such request must be documented with clear and specific grounds for that claim.

(End of clause)

AOC52.203-3 OFFICIALS NOT TO BENEFIT (NOV 2004)

No Member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise therefrom.

(End of clause)

AOC52.203-4 DISSEMINATION OF CONTRACT INFORMATION (NOV 2004)

Unless otherwise provided in this contract, the Contractor shall not publish, permit to be published, or distribute for public consumption, any information, oral or written, concerning the results of, conclusions made pursuant to, or performance under this contract without prior written consent of the Contracting Officer, until such time as the Government may have released such information to the public.

(End of clause)

AOC52.203-5 CONFIDENTIALITY REQUIREMENT (NOV 2004)

The Contractor agrees that any information supplied by the Architect to the Contractor shall be considered confidential and/or proprietary, and agrees to hold such information in confidence. The Contractor further agrees not to disclose such information to a third party without the prior written consent of the Architect.

(End of clause)

AOC52.204-1 PRINTED OR COPIED DOUBLE-SIDED ON RECYCLED PAPER (JUN 2004)

The Contractor is encouraged to submit paper documents, such as offers, letters, or reports, that are printed or copied doubled-sided on recycled paper and meet minimum content standards when not using electronic commerce methods to submit information or data to the Government.

(End of clause)

AOC52.215-10 EXAMINATION OF RECORDS (JUN 2004)

(a) The Contractor agrees that the Architect of the Capitol or any duly authorized representatives shall, until the expiration of 3 years after final payment under this contract, have access to and the right to examine any books, accounting procedures and practices documents, papers, records and other data regardless of whether such items are in written form, in the form of computer data or in any other form and other supporting evidence, involving transactions related to this contract or compliance with any clause or certification thereunder.

(b) The Contractor further agrees to include in all its subcontracts hereunder a provision to the effect that subcontractor agrees that the Architect of the Capitol or any authorized representatives shall, until the expiration of 3 years after final payment under the subcontract, have access to and the right to examine books, documents, papers, records other data regardless of whether such items are in written form, in the form of computer data or in any other form, and other supporting evidence, involving transactions related to the subcontract or compliance with any clause or certification thereunder.

(c) The term "subcontract" as used in this clause excludes purchase orders not exceeding \$10,000.

(End of clause)

AOC52.216-6 UNDEFINITIZED CONTRACT ACTIONS (MAR 2005)

(a) In the event of an urgent situation, the services or supplies may be required on an emergency basis under an undefinitized contract action (emergency task/delivery order, contract modification, or letter contract). The undefinitized contract action may be either verbal, typed, or hand written, with the form of the undefinitized contract action dictated by the access the issuing Contracting Officer has to the AOC network or a computer. If issued verbally, the Contracting Officer shall provide a written confirming document to the location identified by the contractor within 5 calendar days after issuance of the verbal undefinitized contract action. If an undefinitized contract action

is issued under an existing contract, the terms and conditions of the contract shall be in effect and automatically incorporated by reference under any undefinitized contract action issued.

(b) The scope of work as originally issued on the contract action will, of necessity, be somewhat broad and general in nature. It is to also be considered as a Notice to Proceed immediately with the work under the undefinitized contract action. An estimated amount for the work to be performed shall be obligated to ensure that reasonable funds are available for payment to the contractor, and an estimated completion date shall be identified on the undefinitized contract action. If the contractor believes the amount of funds obligated or time for completion as stated in the undefinitized contract action are unreasonable, within 30 calendar days after issuance of the written undefinitized contract action the contractor is responsible for notifying the Contracting Officer of this and providing a suggested amount of funds for obligation or time for completion. In no instance shall the contractor's suggested amount of funds for obligation or time for completion be considered as binding to the contractor or the Government in future negotiations. The Government can elect to use the contractor's suggested amount of funds or time for completion as an indication that some additional funds or time for completion may be required and obligated or adjusted, respectively, in order to ensure that reasonably adequate funds are available to pay the contractor for services performed or that the completion time is reasonable .

(c) Within a reasonable amount of time after the issuance of the undefinitized contract action but not later than an estimated 25% of the way through the completion of the work under the undefinitized contract action, an authorized representative of the contractor must meet, either in person or telephonically, with the Contracting Officer to further define the scope of work, negotiate the price, identify a final completion date, and address other activities necessary to definitize the undefinitized contract action. This estimated 25% shall use the best information reasonably available and be based upon (1) an estimate of the amount of work completed relative to the original general scope of work or (2) the amount of payments made relative to the original amount obligated.

(d) Payments can be made from the original amount obligated, but the undefinitized contract action must be definitized before payments exceed 40% of funds originally obligated.

(e) If communications are disrupted to the degree that it is necessary to communicate with the Contracting Officer at their residence or through other devices that do not utilize AOC-owned equipment, i.e., the Contracting Officer's residential telephone line, home address, etc., the contractor shall treat the Contracting Officer's personal information as confidential and shall not divulge the information to any individual or organization, including but not limited to other AOC personnel, without the Contracting Officer's express written permission. If it becomes necessary for the Contracting Officer to communicate with the contractor through means other than the contractor's normal place of business, i.e., the contractor's residential telephone line or home address, the Contracting Officer shall not divulge the information to any individual or organization, including but not limited to other AOC or contractor personnel, without the contractor's express written permission.

(f) For the purposes of this clause, e-mail is considered express written permission.

(End of clause)

(a) The Government may extend the term of this contract by written notice to the Contractor within 15 calendar days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 45 calendar days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 66 months.

(End of clause)

AOC52.219-1 UTILIZATION OF SMALL BUSINESS CONCERNS (AUG 2004)

(a) It is the policy of the Government as declared by the Congress that a fair proportion of the purchases and contracts for supplies and services for the Government be placed with all types of small business concerns as determined by the size standards in 13 CFR 121.

(b) The Contractor agrees to accomplish the maximum amount of subcontracting to all types of small business concerns that the Contractor finds to be consistent with the efficient performance of this contract.

(End of clause)

(End of clause)

AOC52.222-3 CONVICT LABOR (JUN 2004)

In connection with the performance of work under this contract the Contractor agrees not to employ any person undergoing sentence of imprisonment except as provided by Public Law 89-176, approved September 10, 1965, 18 U.S.C. 4082(c)(2).

(End of clause)

AOC52.222-4 OVERTIME WORK (AUG 2004)

No extra reimbursement will be allowed for work performed outside regular working hours or on Saturdays, Sundays, or holidays and, for work performed in the District of Columbia, Presidential Inauguration Day, unless such work is authorized by the Contracting Officer; and provided such work is not otherwise required to be performed under the terms of the contract. If said authorization is verbal, with written verification thereof by signature of the Contracting Officer on the employee's weekly time record (see AOC52.232-2, Payments - Services or AOC52.232-3, Payments - Services Utilizing Time Records).

(End of clause)

AOC52.222-5 COLLECTIVE BARGAINING AGREEMENTS (JUN 2004)

The Contractor shall comply with the requirements of Paragraph 52.222-41(m), Service Contract Act of 1965, as amended, regarding collective bargaining agreements. The information required shall be FAXED to 202-225-3221 or hand carried to: Procurement Division, Room H2-263, Ford House Office Building, 2nd and "D" Streets, S.W., Washington, D.C. - 20515. The agreement can also be FEDEXed to the following address:

Architect of the Capitol
Procurement Division
Ford House Office Building
Attn: Fred Witcher
Room H2-263
Second and "D" Streets, S.W.
Washington, DC 20515

(End of clause)

AOC52.223-4 TRANSMISSION OR POSTING OF DRAWINGS/SPECIFICATIONS
(JUN 2004)

Due to security issues, the contractor is strictly prohibited from placing or transmitting drawings and specifications on the internet or modem without express permission from the Architect of the Capitol.

(End of clause)

AOC52.223-9 ACCIDENT PREVENTION AND SAFETY AND HEALTH PROGRAMS
(SEP 2004)

(a) The Contractor shall comply with the safety and health standards published in 41 C.F.R. Part 50-205, including any matters incorporated by reference therein.

(b) The Contractor shall also comply with the regulations issued by the Secretary of Labor pursuant to the Williams-Steiger Occupational Safety and Health Act of 1970, as set forth in Title 29 of the Code of Federal Regulations.

(c) The Contractor shall bring to the attention of the Architect any work encountered that may involve entry into a suspected confined space as defined by OSHA. A determination will be made by the Architect, and if the area is deemed a permit required confined space, additional protective measures will be needed, per OSHA requirements.

(d) In the event that conditions on the site pose an imminent danger or threat to the Contractor's workers, the public, Government employees, other persons, or to Capitol complex structures and property of historical significance, the Contracting Officer can verbally order the Contractor to stop work operations in the specified area until said conditions are corrected to the Contracting Officer's satisfaction. The Contracting Officer shall promptly issue a written order to stop the work to the Contractor formalizing the specifics of the verbal stop work order.

(e) The Contractor shall not be entitled to any equitable adjustment of the contract price or extension of the performance schedule on any stop work order issued under this clause.

(End of clause)

AOC 52.228-2 INSURANCE - WORK ON A GOVERNMENT INSTALLATION
(SEP 2004)

(a) The Contractor shall, at his own expense, provide and maintain during the entire performance of this contract at least the kinds and minimum amounts of insurance as required in this clause.

(b) Within twenty (20) calendar days after the date of contract award or before commencing work under this contract, whichever is earlier, the Contractor shall notify the Contracting Officer in writing that the required insurance has been obtained. A Certificate of Insurance evidencing the Contractor's compliance with the requirements of this clause, identifying all policies of insurance and sureties proposed for the provision of liability coverage pertinent to the work of the instant

contract, including the endorsement required in this paragraph, and manually countersigned by an authorized representative of the insurance company shall be submitted in accordance with the time frame stated in this paragraph. All policies for liability protection, bodily injury, or property damage shall include the United States of America, acting by and through the Architect of the Capitol, as an additional insured with respect to operations under this contract. Each policy of insurance shall contain the following endorsement, which may be attached as a rider:

"It is understood and agreed that the Contractor's Insurance Company or surety shall notify the Architect of the Capitol, in writing, thirty (30) calendar days in advance of the effective date of any reduction in or cancellation of this policy."

(c) Insurance and required minimum liability limits are:

(1) Appropriate bodily injury and property damage liability insurance, with limits of not less than \$500,000 for each occurrence and \$2,000,000 for annual aggregate, including requirements for protection of hoisting and scaffolding operations, when applicable, and servicing areas adjacent to the building;

(2) Automobile bodily injury liability insurance with limits of not less than \$200,000 for each person and \$500,000 for each accident, and property liability insurance, with a limit of not less than \$20,000 for each accident. A combined single limit for these coverages is acceptable; and/or

(3) Workmen's compensation insurance as required by the laws of (1) the District of Columbia for work performed on a Government site located in the District of Columbia; (2) the State of Maryland for work performed on a Government site located in Maryland; or (3) the Commonwealth of Virginia for work performed on a Government site located in Virginia.

(d) The Contractor shall insert the substance of this clause, including this paragraph, in subcontracts under this contract that require work on a Government installation, and shall require subcontractors to provide and maintain the insurance required in this clause. The Contractor shall maintain a copy of all subcontractors' proofs of required insurance, and shall make copies available to the Contracting Officer upon request.

(End of clause)

AOC52.228-4 INDEMNIFICATION AND HOLD HARMLESS AGREEMENT (JUN 2004)

The Contractor agrees to indemnify and hold the Government harmless against any and all claims for damages to persons or property from any cause or causes whatsoever arising out of the performance of services covered by the contract; including, but not limited to, errors, omissions or negligent acts of the Contractor, but excluding active negligence of the Government, and against any and all costs, expenses, attorney's fees, and liability incurred by the Government in defending against such claims, whether the same proceed to judgement or not. In the prosecution of any successful claim or suit by the Government for the enforcement of this contract, the Contractor shall reimburse the Government for any reasonable attorney's fees and costs of claim or suit incurred by the Government.

(End of clause)

Funds are not presently available for this contract. The Government's obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the Contracting Officer for this contract and until the Contractor receives notice of such availability, to be confirmed in writing by the Contracting Officer.

(End of clause)

Funds are presently not available for performance under this contract beyond September 30, 2007. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond September 30, 2007, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

(End of clause)

AOC52.232-2 PAYMENTS - SERVICES (MAR 2006)

(a) Invoices shall be issued at the end of each month in which services are performed by the Contractor. Until further notice, properly certified invoices shall be FAXED to the Accounting Office, Architect of the Capitol at 202-226-2580. Information concerning requirements for payment requisitions must be secured by telephoning the Accounting Officer at (202) 226-2552. Payment will be made on a monthly basis. To assist the AOC in making timely payments, the Contractor is requested to furnish the following additional information on the invoice:

- (1) Contract number;
- (2) Name, address and Taxpayer I.D. of Contractor;
- (3) Invoice Date;
- (4) Unique invoice number for that particular invoice;
- (5) Period the payment covers; and
- (6) Amount by line item including quantity and unit pricing (see "SCHEDULE OF ITEMS" in Section B).

(b) *Requirement when contractor employee(s) is provided on-site office space.* As verification of the above time records submitted by the Contractor, each of the Contractor's employees will be required to sign and submit to the COTR a weekly time record sheet, as provided by the Architect,

showing the number of regular and overtime hours, if any, worked by that employee during that week. The time record sheet will be verified and countersigned, if correct, by the COTR and a copy thereof will be provided to the Contractor for record purposes.

(c) Payments will be made directly to the contractor's financial institution through Direct Deposit/Electronic Funds Transfer (DD/EFT). The Contractor's attention is directed to the requirements of AOC52.232-6, Payment by Electronic Funds Transfer - Other Than Central Contractor Registration.

(End of clause)

AOC52.232-6 PAYMENT BY ELECTRONIC FUNDS TRANSFER - OTHER THAN CENTRAL
CONTRACTOR REGISTRATION (JUN 2004)

(a) *Method of payment.* (1) All payments by the Government under this contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(2) of this clause. As used in this clause, the term "EFT" refers to the funds transfer.

(2) In the event the Government is unable to release one or more payments by EFT, the contractor agrees to either--

(i) Accept payment by check or some other mutually agreeable method of payment; or

(ii) Request the Government to delay payment until such time as the Government makes payment by EFT (but see paragraph (d)).

(b) *Mandatory submission of Contractor's EFT information.* (1) The Contractor is required to provide the Government with the information required to make payment by EFT (see paragraph (i) of this clause). The contractor shall provide this information directly to the office designated in paragraph (k) to receive that information (hereafter: "designated office") by three working days after notification of contract award. If not otherwise specified in this contract, the payment office is the designated office for receipt of the contractor's EFT information. If more than one designated office is named for the contract, the contractor shall provide a separate notice to each office. In the event that the EFT information changes, the contractor shall be responsible for providing the updated information to the designated office(s).

(2) If the contractor provides EFT information applicable to multiple contracts, the contractor shall specifically state the applicability of this EFT information in terms acceptable to the designated office. However, EFT information supplied to a designated office shall be applicable only to contracts that identify that designated office as the office to receive EFT information for that contract.

(c) *Mechanisms for EFT payment.* The Government may make payment by EFT through the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association. The rules governing Federal payments through the ACH are contained in 31 CFR part 210.

(d) *Suspension of payment.* (1) Notwithstanding the provisions of any other clause of this contract, the Government is not required to make any payment under this contract until after receipt, by the designated payment office, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a valid invoice.

(2) If the EFT information changes after submission of correct EFT information, the Government shall begin using the changed EFT information no later than the 30 days after its receipt by the designated office to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the changed EFT information is implemented by the payment office.

(e) *Liability for uncompleted or erroneous transfers.* (1) If an uncompleted or erroneous transfer occurs because the Government failed to use the Contractor-provided EFT information in the correct manner, the Government remains responsible for--

- (i) Making a correct payment; and
- (ii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because Contractor's EFT information was incorrect at the time of Government release or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and --

(i) If the funds are no longer under the control of the payment office, the Government is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or

(ii) If the funds remain under the control of the payment office, the Government shall not make payment and the provisions of paragraph (d) shall apply.

(f) *EFT and assignment of claims.* If the contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the contractor shall require as a condition of any such assignment that the assignee shall provide the EFT information required by paragraph (i) of this clause to the designated office and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were the contractor. EFT information that shows the ultimate recipient of the transfer to be other than the contractor, in the absence of a proper assignment of claims acceptable to the Government, is incorrect EFT information within the meaning of Paragraph (d) of this clause.

(g) *Liability for change of EFT information by financial agent.* The Government is not liable for errors resulting from changes to EFT information provided by the contractor's financial agent.

(h) *Payment information.* The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. The Government may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, the Government does not guarantee

that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to the Government. If the Government makes payment by check in accordance with paragraph (a) of this clause, the Government shall mail the payment information to the remittance address in the contract.

(i) *EFT Information.* The contractor shall provide the following information to the designated payment office. The contractor may supply this data for this or multiple contracts (see paragraph (b) of this clause). The Contractor shall designate a single financial agent per contract capable of receiving and processing the EFT information using the EFT methods described in paragraph (c) of this clause. The information required is as follows:

- (1) The contract number;
- (2) The contractor's name and remittance address as stated in the contract(s);
- (3) The signature (manual or electronic, as appropriate), title, and telephone number of the contractor's official authorized to provide this information;
- (4) The name, address, and 9-digit Routing Transit Number of the contractor's financial agent; and
- (5) The contractor's account number and the type of account (checking, saving or lockbox).

(j) The Contractor shall send all EFT information, and any changes to EFT information to the office designated in paragraph (k) of this clause. The Contractor shall not send EFT information to the payment office, or any other office than that designated in paragraph (k). The Government need not use any EFT information sent to any office other than that designated in paragraph (k).

(End of clause)

AOC52.232-7 DISCOUNTS (AUG 2004)

(a) Discounts for prompt payment will not be considered in the evaluation of offers. However, any offered discount will form a part of the award, and will be taken if payment is made within the

discount period indicated in the offer by the offeror. As an alternative to offering a prompt payment discount in conjunction with the offer, offerors awarded contracts may include prompt payment discounts on individual invoices.

(b) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the agency annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday and, for work performed in the District of Columbia, Presidential Inauguration Day, when Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following business day.

(End of clause)

AOC52.232-9 PAYMENT OF INTEREST ON CONTRACTOR CLAIMS (JUN 2004)

(a) If an appeal is filed by the Contractor from a final decision of the Contracting Officer under the Disputes paragraph of this contract, denying a claim arising under the contract, simple interest on the amount of the claim finally determined owed by the Government shall be payable to the Contractor. Such interest shall be at the rate determined by the Secretary of the Treasury pursuant to Public Law 92-41, 85 Stat. 97, from the date the Contractor furnishes to the Contracting Officer his written appeal under the Disputes paragraph of this contract, to the date of (1) a final judgement by a court of competent jurisdiction, or (2) mailing to the Contractor of a change order, or a supplemental agreement for execution either confirming completed negotiations between the parties or carrying out a decision of a contract appeals board.

(b) Notwithstanding Paragraph (a) above, (1) interest shall be applied only from the date payment was due, if such date is later than the filing of appeal, and (2) interest shall not be paid for any period of time that the Contracting Officer determines the Contractor has unduly delayed in pursuing his remedies before a board of contract appeals or a court of competent jurisdiction.

(End of clause)

AOC52.232-12 ASSIGNMENT - SUPPLEMENT (MAR 2005)

Neither the contract nor any interest therein shall be assigned. However, moneys due or to become due under the contract may be assigned in accordance with the provisions of FAR clause 52.232-23 ASSIGNMENT OF CLAIMS.

(End of clause)

AOC52.233-1 DISPUTES (JUN 2004)

(a) Except as otherwise provided in this contract, any dispute concerning a question of fact arising under this contract which is not disposed of by agreement shall be decided by the Contracting

Officer, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the Contracting Officer shall be final and conclusive unless, within 30 days from the date of receipt of such copy, the Contractor mails or otherwise furnishes to the Contracting Officer a written appeal addressed to the head of the agency involved. The decision of the head of the agency or his duly authorized representative for the determination of such appeals shall be final and conclusive. This provision shall not be pleaded in any suit involving a question of fact arising under this contract as limiting judicial review of any such decision to cases where fraud by such official or his representative or board is alleged; **provided, however**, that any such decision shall be final and conclusive unless the same is fraudulent or capricious or arbitrary or so grossly erroneous as necessarily to imply bad faith or is not supported by substantial evidence. In connection with any appeal proceeding under this paragraph, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute hereunder, the Contractor shall proceed diligently with the performance of the contract and in accordance with the Contracting Officer's decision.

(b) This paragraph does not preclude consideration of questions of law in connection with decisions provided for in Paragraph (a) above. Nothing in this contract, however, shall be construed as making final the decision of any administrative official, representative, or board on a question of law.

(End of clause)

AOC52.233-2 CLAIMS FOR EQUITABLE ADJUSTMENTS - WAIVER AND RELEASE OF CLAIMS (JUN 2004)

(a) Whenever the Contractor submits a claim for equitable adjustment under any paragraph of this contract which provides for equitable adjustment of the contract, such claim shall include all types of adjustments in the total amounts to which the paragraph entitles the Contractor, including but not limited to adjustments arising out of delays or disruptions or both caused by such change. Except as the parties may otherwise expressly agree, the Contractor shall be deemed to have waived (1) any adjustments to which it otherwise might be entitled under the paragraph where such claims fail to request such adjustments, and (2) any increase in the amount of equitable adjustments additional to those requested in its claim.

(b) Further, the Contractor agrees that, if required by the Contracting Officer, he will execute a release, in form and substance satisfactory to the Contracting Officer, as part of the supplemental agreement setting forth the aforesaid equitable adjustment, and that such release shall discharge the Government, its officers, agents and employees, from any further claims, including but not limited to further claims arising out of delays or disruptions or both, caused by the aforesaid change.

(End of clause)

AOC52.233-4 DAMAGES FOR DELAY (NOV 2004)

(a) The Architect shall not be obligated or liable to the Contractor for, and the Contractor hereby expressly waives any claims against the Architect on account of, any damages, costs, or expenses, of any nature whatsoever, which the Contractor or his subcontractors at any tier may incur as a result of delays, interferences, disruptions, suspensions, changes in sequence or the like arising from or out

of any act or omission of the Architect, it being understood and agreed that the Contractor's sole and exclusive remedy in such event shall be an extension of the contract time, but only in accordance with the provisions of the Contract Documents.

(b) To the extent that any other provision of this contract is inconsistent with the provisions of this article such other sections will be superseded hereby with respect to the issue of delay damages.

(End of clause)

AOC52.245-2 GOVERNMENT-FURNISHED PROPERTY (NOV 2004)

(a) For the purposes of this clause, Government-furnished "property" includes cell phones and telephones, personal digital assistants, computers (including laptops), electronic devices, services such as network access, tools, furnished space, storage, utilities, furnishings, equipment, and any other item or service provided by the AOC to the contractor.

(b) No AOC equipment or property can be provided under this contract unless specifically negotiated as part of the award price. If, after contract award, it becomes necessary or advisable to issue AOC property to the contractor, the contract price shall be reduced by a reasonable amount that reflects the price the contractor would pay if providing the property.

(c) The Contracting Officer's Technical Representative (COTR) for this contract is responsible for coordinating the issuance and return of Government-furnished property.

(d) Any Government-furnished property provided to the contractor for use during performance of this contract shall be issued to the contractor's representative and recorded on AOC Form 1423, AOC PROPERTY ISSUED TO CONTRACTORS. The contractor's representative shall be responsible for the ensuring the proper care and use of the Government-furnished property, whether used by the contractor representative or another contractor employee. Government-furnished property provided by the AOC can be used only for the conduct of official business on behalf of the AOC. The contractor is specifically prohibited from using AOC-furnished property for personal use or to conduct operations that benefit other Government agency contracts or other contractor activities that do not directly support AOC contracts.

(e) All information technology property that requires interface or connection to the AOC network must be provided by the AOC. The use of non-AOC IT property that requires interface or connection to the AOC network is strictly prohibited.

(f) All contractor employees who require access to the AOC network or who are issued a personal digital assistant must complete and sign the "Non-disclosure Agreement for Contract Employees Conditional Access to Sensitive but Unclassified Information for The Architect of The Capitol" before access will be granted. The COTR is responsible for providing the non-disclosure agreements to the AOC Office of Information Resources Management.

(g) All Government-furnished property shall be returned by the contractor to the COTR in the same condition as issued, with allowances for wear and tear that occurs with reasonable care and use. Failure to return Government-furnished property or the return of Government-furnished property that has not been properly maintained and used may result in a reduction to the contract price that reflects

the market replacement value of the property or the market price to repair or restore the property to its condition when issued to the contractor.

(End of clause)

FAR 52.246-20 WARRANTY OF SERVICES (MAY 2001)

(a) *Definition.* "Acceptance", as used in this clause, means the act of an authorized representative of the Government by which the Government assumes for itself, or as an agent of another, ownership of existing and identified supplies, or approves specific services, as partial or complete performance of the contract.

(b) Notwithstanding inspection and acceptance by the Government or any provision concerning the conclusiveness thereof, the Contractor warrants that all services performed under this contract will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this contract. The Contracting Officer shall give written notice of any defect or nonconformance to the Contractor within 72 hours from the date of acceptance by the Government. This notice shall state either --

(1) That the Contractor shall correct or reperform any defective or nonconforming services; or

(2) That the Government does not require correction or reperformance.

(c) If the Contractor is required to correct or reperform, it shall be at no cost to the Government, and any services corrected or reperformed by the Contractor shall be subject to this clause to the same extent as work initially performed. If the Contractor fails or refuses to correct or reperform, the Contracting Officer may, by contract or otherwise, correct or replace with similar services and charge to the Contractor the cost occasioned to the Government thereby, or make an equitable adjustment in the contract price.

(d) If the Government does not require correction or reperformance, the Contracting Officer shall make an equitable adjustment in the contract price.

FAR 52.203-2 CERTIFICATE OF INDEPENDENT PRICE DETERMINATION (APR 1985)

(a) The offeror certifies that -

(1) The prices in this offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other offeror or competitor relating to -

- (i) Those prices;
- (ii) The intention to submit an offer; or

(3) No attempt has been made or will be made by the offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.

(b) Each signature on the offer is considered to be a certification by the signatory that the signatory -

(1) Is the person in the offeror's organization responsible for determining the prices being offered in this bid or proposal, and that the signatory has not participated and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this provision; or

(2)(i) Has been authorized, in writing, to act as agent for the following principals in certifying that those principals have not participated, and will not participate in any action contrary to paragraphs (a)(1) through (a)(3) of this provision

[insert full name of person(s) in the offeror's organization responsible for determining the prices offered in this bid or proposal, and the title of his or her position in the offeror's organization];

(ii) As an authorized agent, does certify that the principals named in subdivision (b)(2)(i) of this provision have not participated, and will not participate, in any action contrary to paragraphs (a)(1) through (a)(3) of this provision; and

(iii) As an agent, has not personally participated, and will not participate, in any action contrary to paragraphs (a)(1) through (a)(3) of this provision.

(c) If the offeror deletes or modifies paragraph (a)(2) of this provision, the offeror must furnish with its offer a signed statement setting forth in detail the circumstances of the disclosure.

FAR 52.204-3 TAXPAYER IDENTIFICATION (OCT 1998)

(a) *Definitions.*

"Common parent," as used in this provision, means that corporate entity that owns or controls an affiliated group of corporations that files its Federal income tax returns on a consolidated basis, and of which the offeror is a member.

"Taxpayer Identification Number (TIN)," as used in this provision, means the number required by the Internal Revenue Service (IRS) to be used by the offeror in reporting income tax and other returns. The TIN may be either a Social Security Number or an Employer Identification Number.

(b) All offerors must submit the information required in paragraphs (d) through (f) of this provision to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3325(d), reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M, and implementing regulations issued by the IRS. If the resulting contract is subject to the payment reporting requirements described in Federal Acquisition Regulation (FAR) 4.904, the failure or refusal by the offeror to furnish the information may result in a 31 percent reduction of payments otherwise due under the contract.

(c) The TIN may be used by the Government to collect and report on any delinquent amounts arising out of the offeror's relationship with the Government (31 U.S.C. 7701(c)(3)). If the resulting contract is subject to the payment reporting requirements described in FAR 4.904, the TIN provided hereunder may be matched with IRS records to verify the accuracy of the offeror's TIN.

AOC52.204-2 DATA UNIVERSAL NUMBERING SYSTEM (DUNS) NUMBER (JUN 2004)

(a) The offeror shall enter, in the space provided below, the DUNS number that identifies the offeror's name and address exactly as stated in the offer. The DUNS number is a nine-digit number assigned by Dun and Bradstreet Information Services.

(b) If the offeror does not have a DUNS number, it should contract Dun and Bradstreet directly to obtain one. A DUNS number will be provided immediately by telephone at no charge to the offeror. For information on obtaining a DUNS number, the offeror, if located within the United States, should call Dun and Bradstreet at 1-800-333-0505. The offeror should be prepared to provide the following information:

- (1) Company name,
- (2) Company address;

- (3) Company telephone number;
- (4) Line of business;
- (5) Chief executive officer/key manager;
- (6) Date the company was started;
- (7) Number of people employed by the company; and
- (8) Company affiliation.

(c) Offerors located outside the United States may obtain the location and phone number of the local Dun and Bradstreet Information Services office from the Internet home page at <http://www.customerservice@dnb.com>. If an offeror is unable to locate a local service center, it may send an e-mail to Dun and Bradstreet at globalinfo@mail.dnb.com.

(d) Enter DUNS number:_____.

(End of provision)

AOC52.204-3 REPRESENTATIONS AND CERTIFICATIONS (NOV 2004)

The offeror shall properly execute and submit with its offer the Representations and Certifications contained herein. Insert information in spaces provided as applicable.

(End of provision)

FAR 52.209-5 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS (DEC 2001)

(a)(1) The Offeror certifies, to the best of its knowledge and belief, that—

(i) The offeror and/or any of its Principals –

(A) Are () are not () presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have () have not (), within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and

(C) Are () are not () presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision.

(ii) The Offeror has () has not (), within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plan manager; head of a subsidiary, division, or business segment, and similar positions).

This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.

(c) The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(d) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror's responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

(e) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(f) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.

(End of provision)

AOC52.209-1 ORGANIZATIONAL AND PERSONAL CONFLICTS OF INTEREST
(NOV 2004)

(a) The offeror and resultant contractor certifies that, to the best of the it's knowledge and belief, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest, as defined in FAR Subpart 9.5.

(b) Prior to commencement of any work, the contractor agrees to notify the Contracting Officer immediately that, to the best of its knowledge and belief, no actual or potential conflict of interest

exists or to identify to the Contracting Officer any actual or potential conflict of interest the contractor may have.

(c) The offeror and resultant contractor agree to notify immediately the AOC Contracting Officer of (1) any actual or potential personal conflict of interest with regard to any of its employees working on or having access to information regarding this contract, or (2) any such conflicts concerning subcontractor employees or consultants working on or having access to information regarding this contract, when such conflicts have been reported to the Contractor. A personal conflict of interest is defined as a relationship of an employee, subcontractor employee, or consultant with an entity that may impair the objectivity of the employee, subcontractor employee, or consultant in performing the contract work.

(d) If the contractor, under the terms of this contract or through the performance of work pursuant to this contract, is required to develop specifications or statements of work and such specifications or statements of work are incorporated subsequently into an AOC solicitation, the contractor shall be ineligible to perform the work described in that solicitation as a prime contractor or subcontractor under an ensuing AOC contract.

INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

AOC52.215-1 INSTRUCTIONS TO OFFERORS (FEB 2005)

(a) *Definitions.* As used in this provision --

“Proposal modification” is a change made to a proposal before the solicitation’s closing date and time, or made in response to an amendment, or made to correct a mistake at any time before award.

“Proposal revision” is a change to a proposal made after the solicitation closing date, at the request of or as allowed by a Contracting Officer as the result of negotiations.

“Time,” if stated as a number of days, is calculated using calendar days, unless otherwise specified, and will include Saturdays, Sundays, and legal holidays, including Presidential Inauguration Day. However, if the last day falls on a Saturday, Sunday, or legal holiday, including Presidential Inauguration Day, then the period shall include the next working day.

(b) Offerors are expected to examine the entire solicitation and all instructions. Failure to do so will be at the offeror’s risk. Each offeror shall furnish the information required by the solicitation. The offeror will be held responsible for full knowledge of all information contained therein.

(c) *Packaging, transmission, and tracking of proposals.* (1) Proposals, modifications, and revisions shall be enclosed, in the quantities specified elsewhere in this solicitation, in sealed envelopes. Address envelopes to: Architect of the Capitol, Procurement Division, Ford House Office Building, Attn: Fred Witcher, Room H2-263 Bid Room, Second and “D” Streets, S.W., Washington, DC 20515. Offeror shall place the OF-17, Offer Label, on the exterior of the package on the same side as the address, or write “Bid Documents Enclosed”, “H2-263 Bid Room”, and write the solicitation number, time and date for receipt of offers on the exterior of the package on the same side as the address. Telegraphic or facsimile proposals and modifications will not be considered.

(2) Current security requirements established by the U.S. Capitol Police to screen mail being delivered to the U.S. Capitol Complex of buildings preclude the use of U. S. Postal Service by offerors to deliver their proposals submitted in response to this solicitation. In addition, because all packages must be screened for security purposes at a central location prior to their delivery, the Architect of the Capitol cannot accept packages containing offers hand carried directly to the Bid Room address within the Ford House Office Building, or any other location in the U.S. Capitol Complex of buildings. **See “Notice for Delivery” on the front of the solicitation.**

(3) To assist in tracking of proposals, offerors are requested to fax a copy of their signed “Solicitation, Offer and Award” form as well as a copy of the FEDEX or UPS receipt to Fred Witcher to (866) 539-4925 at the time of the issuance of their proposal.

(4) The only acceptable method by which offerors can deliver their responses to this solicitation shall be via Federal Express (FEDEX) or United Parcel Service (UPS). Offers submitted via any other method will be rejected. **OFFERORS - DO NOT MAIL YOUR OFFER BY REGULAR U.S. MAIL.** See notice attached to this solicitation for special instructions.

(d) *Submission, modification, revision, and withdrawal of proposals.* (1) Offerors are responsible for submitting proposals and any modifications or revisions so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time

is specified in the solicitation, the time for receipt is 4:30 p.m. local time, for the designated Government office on the date that the proposal or revision is due. For the purposes of determining timeliness, the designated Government office is defined as the Pitney Bowes Management Services Capitol Heights Mail Facility at 9140 East Hampton Drive, Capitol Heights, Maryland 20743.

(2) Any proposal, modification, or revision received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would no unduly delay the acquisition, and-

(i) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of proposals;

(ii) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of proposals and was under the Government's control prior to the time set for receipt of proposals; or

(iii) It is the only proposal received.

(3) However, a late modification of an otherwise successful proposal that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(4) Acceptable evidence to establish the date of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(5) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of proposals by the exact time specified in the solicitation and urgent Government requirements preclude amendment of the solicitation, the time specified for receipt of proposals will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(6) Proposals may be withdrawn by written notice received at any time before award. Proposals may be withdrawn in person by an offeror or an authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the proposal before award.

(End of provision)

AOC52.215-2 INTERPRETATIONS AND AMENDMENTS (JUN 2004)

(a) Any prospective offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing no later than fourteen calendar days prior to the date established for receipt of offers. Oral explanations or instructions given before the award of a contract will not be binding.

(b) Prospective offerors shall request the Contracting Officer, in writing, via FAX or e-mail for an interpretation or correction of any ambiguity, inconsistency, or error in the contract documents which they may discover or which should have been discovered by a reasonably prudent offeror. Such requests or objections to materials or methods of construction shown or specified shall be directed to the attention of the Contracting Officer at least fifteen (15) calendar days prior to the date specified for receipt of proposals. Written requests shall be transmitted via e-mail to fwitcher@aoc.gov or via facsimile to (866) 539-4925.

(c) Any interpretations or corrections, as well as any additional modifications the Contracting Officer may desire to include, will be in the form of amendments, in writing, which will be sent on the same date to all offerors if that information is necessary in submitting offers or if the lack of it would be prejudicial to other prospective offerors and shall become a part of any subsequent contract. The Contracting Officer reserves the right to answer only such questions as have, in his opinion, a definite bearing upon the proposals to be submitted.

(1) Offerors shall acknowledge the receipt of all amendments to the solicitation by:

- (i) Signing and returning the amendment;
- (ii) Identifying the amendment number and date in the space provided for this purpose on the form for submitting a offer;
- (iii) Letter or telegram; or
- (iv) Facsimile, if facsimile offers are authorized in the solicitation.

(2) The Government must receive the acknowledgment by the time and at the place specified for receipt of offers.

(d) Requests for oral interpretations or any other interpretations not made by amendments will not be accepted, and any information that may possibly be gained by offerors in that manner is gratuitous and not binding.

(e) If this solicitation is amended, all terms and conditions that are not amended remain unchanged.

(End of provision)

AOC52.215-3 RESTRICTION ON DISCLOSURE AND USE OF DATA (JUN 2004)

Offerors that include in their proposals data that they do not want disclosed to the public for any purpose, or used by the Government except for evaluation purposes, shall—

- (a) Mark the title page with the following legend:
“This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed--in whole or in part--for any purpose other than to evaluate this proposal. If, however, a contract is awarded to this offeror as a result of--or in connection with--the submission of this data, the Government shall have the right to

duplicate, use, or disclose the data to the extent provided in the resulting contract. This restriction does not limit the Government's right to use information contained in this data if it is obtained from another source without restriction. The data subject to this restriction are contained in sheets (insert numbers or other identification of sheets)"; and

- (b) Mark each sheet of data it wishes to restrict with the following legend:
"Use or disclosure of data contained on this sheet is subject to the restriction on the title page of this proposal."

(End of provision)

AOC52.215-6 PREPARATION OF PROPOSALS (JUN 2004)

- (a) Offerors are expected to examine the drawings, if any, specifications, Schedule, and all instructions. Failure to do so will be at the Offerors risk.

(b) Each offeror shall furnish the information required by the solicitation. The offerors shall sign the offer on Page 1 (SOLICITATION, OFFER AND AWARD) in block 15 and return this solicitation package in its entirety. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the issuing office.

- (c) For each item offered, offers shall—

- (1) Show the unit price, if required, including, unless otherwise specified, packaging, packing, and preservation; and

- (2) Enter the extended price for the quantity of each item offer in the "Amount" column of the Schedule.

(d) In case of discrepancy between a unit price and an extended price, the unit price will be presumed to be correct, subject, however, to correction to the same extent and in the same manner as any other mistake.

(e) Offers for supplies or services other than those specified will not be considered unless authorized by the solicitation.

(End of provision)

PROPOSAL COMPOSITION - SOURCE SELECTION PROCEDURES

(a) Proposals shall be submitted in two major subdivisions: Technical Proposal whose content and arrangement shall be as described in the article, "INSTRUCTIONS FOR PREPARING THE TECHNICAL PROPOSAL" of this section, and a Price Proposal, which shall be prepared in detail on a basis as described and set forth in the article entitled, "INSTRUCTIONS FOR PREPARING THE PRICE PROPOSAL" of this section.

(b) The Technical Proposal and the Price Proposal portions of each proposal tendered by any offeror shall each be enclosed in a separate sealed package, identified on its outer surface as to

content in the manner prescribed in the article entitled "SUBMISSION OF OFFERS" of this section and submitted in the following number of copies:

- (1) Technical Proposal - One original and three (3) copies.
 - (2) Price Proposal - One original and one (1) copy.
- (c) Each offeror may submit one or more proposals; however, each proposal shall be configured as described above, shall be considered on its own merits as to the completeness of submission and shall not share required documentation, bonding, or other requirements of submission with any other proposal submitted by the same offeror.

INSTRUCTIONS FOR PREPARING THE TECHNICAL PROPOSAL - SOURCE SELECTION PROCEDURES

(a) The Technical Proposal shall be organized in accordance with the following format to facilitate evaluation by the Government. The Technical Proposal shall be subdivided into five (5) subsections: Technical Approach, Management Approach, Corporate Experience, Past Performance, and Quality Control Procedures; indexed by evaluation factor and contained in three ring binders, binder clips, rings, or other methods that allow the material to be viewed and removed easily. Spiral binding is strongly discouraged.

.1 *Evaluation Factor 1 - Technical Approach*

.1 Provide detailed plans for scheduling and carrying out all phases of the work required by the RFP, to include the following:

.1 Provide a complete list of all chemicals/supplies you propose to use to perform this work. The listing shall be grouped by type of chemical or supply item. For each item listed, provide the product name, the manufacturer's complete name, address and telephone number, and the intended use of the product.

.2 Provide a listing of tools and equipment you consider necessary and which you will furnish and use to perform this work. For each item proposed, provide the information concerning its intended use and the quantity of the item believed necessary and which you will furnish.

.3 Provide your proposed on-site staffing plan, listing the number of employees proposed to be provided, and your method of assuring that the services required by this RFP are adequately and consistently provided by qualified personnel. Personnel qualifications include the ability to effectively communicate both orally and in writing (in English) with other members of your staff.

.2 *Evaluation Factor 2 - Quality Control Procedures*

.1 Provide details of the methods and techniques your firm will use for the detection and correction of deficiencies and the proposed methodology, frequency, thoroughness and means of documentation under your Quality Control Program.

.3 *Evaluation Factor 3 - Management Approach*

.1 Provide information regarding your corporate staff resources, how they are organized, and the proposed methods of interfacing with and providing any needed support to your proposed Project Manager and supervisor(s) for the work of this RFP.

.2 Provide information sufficient to allow the Government to evaluate your approach to managing the services required by this solicitation including: lines of authority and responsibility for the performance of the work; relevant personnel practices including a discussion of hiring and promotion policies and procedures; management controls over the workforce; how your management techniques can be expected to identify and correct performance problems.

.3 Key Personnel (Contract Job Manager) - Provide a resume for the key personnel. The resume should document recent and relevant experience (within the past five years) in the management of similar projects of this size and scope, shall be a maximum of four pages, include beginning and ending month and year for each job, and include the following information:

.1 A list of projects and the level of involvement,

.2 List relevant education, training and skills.

.3 A list of five references who can provide appropriate feedback about the quality of performance and technical capabilities. Include a contact name, company, address and current telephone number.

.4 Position and years with the Offeror.

.4 *Evaluation Factor 4 - Corporate Experience*

.1 Provide a listing of past projects of similar scope, size and complexity, and which involved similar finishes and furnishings, performed by your firm during the last five years. For each project listed, provide the following:

From/To (Dates- Month & Year):

Project Description (type of facility, square footage, complexity of cleaning to include description of services included in the contract):

Client Agency:

Technical Point of Contact:

Current Phone No. For Point of Contact:

Dollar Value of Contract:

Relevance of Experience to This Project:

.5 *Evaluation Factor 5 - Past Performance*

- .1** Offerors shall forward the form listed under Attachments titled "Past Performance Questionnaire" to references to be completed and forwarded directly to the AOC as directed on the form. Offerors are encouraged to request that references submit the Past Performance Questionnaires to the AOC **prior** to the closing date of this RFP. However, Past Performance Questionnaires received after the closing date of this RFP will be accepted if received prior to the conclusion of technical evaluations and will NOT cause the offeror to be considered non-responsive.
- .2** Offerors are advised that the Government may use all data provided by the offeror in their proposal and data obtained from other sources, to include but not limited to government-wide databases. Past performance information on contracts not listed by the offeror, or that of proposed subcontractors, may also be evaluated. The Government may contact references provided or any other source than those identified by the offeror and information received may be used in the evaluation of the offeror's past performance. While the Government may elect to consider data obtained from other sources, the burden of providing current accurate and complete past performance information rests with the offeror.

(End of provision)

INSTRUCTIONS FOR PREPARING THE PRICE PROPOSAL - SOURCE SELECTION PROCEDURES

- (a) A firm fixed-price shall be entered by each offeror on the Schedule page for each line item (line item pricing, options and unit prices) which shall represent the cost for performing the work required by this Request for Proposal. The Architect reserves the right to request from each offeror information regarding the breakdown of all costs that are included in the lump sum price (Line Item Nos. 1 through 4, inclusive), to include copies of all work sheets used in forming the proposed pricing. Erasures or other changes on any or all submissions shall be initialed by the signer of the proposal or by his duly authorized agent.
- (b) In addition, the Representations and Certifications, with applicable information included in the spaces provided shall be included as a part of the Price Proposal.
- (c) The Price Proposal will be submitted with the required documents in the following order:
 - (1) The "SOLICITATION, OFFER, AND AWARD" FORM (original signature required in Block 15);
 - (2) Section B - The "SCHEDULE" pages; and
 - (3) Section K - The "REPRESENTATIONS AND CERTIFICATIONS".

(d) The offeror shall identify in the proposal any Government Furnished Property (i.e. Information Technology equipment) that will be required during the contract period or if access is required to the AOC network during this period.

(End of provision)

AOC52.215-9 FAILURE TO SUBMIT OFFER (JUN 2004)

Recipients of this solicitation not responding with a proposal should not return this solicitation, unless it specifies otherwise. Instead, they should advise the issuing office by letter, postcard, or established electronic commerce methods, whether they want to receive future solicitations for similar requirements. If a recipient does not submit a proposal and does not notify the issuing office that future solicitations are desired, the recipient's name will be removed from the applicable mailing list.

(End of provision)

FAR 52.216-1 TYPE OF CONTRACT (APR 1984)

The Government contemplates award of a firm, fixed-price contract resulting from this solicitation.

(End of provision)

AOC52.237-1 SITE VISIT (MAY 2005)

(a) Offerors are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. In no event shall failure to inspect the site constitute grounds for a claim after contract award.

(b) In this regard, a pre-proposal conference, including walk-through inspections, is scheduled for **9:30 AM EDT, Saturday, September 23, 2006** at the Senate Employees Child Care Center, 321 Massachusetts Avenue, N.E., Washington, D.C. 20510. Contact Mr. Craig Smrcina, Building Inspector, at **(202) 224-0909**, for those intending to participate.

(c) Offerors are encouraged to submit all questions in writing at least five (5) working days prior to the conference via Fax at (866) 539-4925 or e-mail to fwitcher@aac.gov. Questions will be considered at any time prior to or during the conference; however, offerors will be asked to confirm verbal questions in writing via fax or e-mail, above. Subsequent to the conference, an amendment to the solicitation containing an abstract of the questions and answers, and a list of attendees, will be disseminated.

(d) Offerors are cautioned that, notwithstanding any remarks or clarifications given at the conference, all terms and conditions of the solicitation remain unchanged unless they are changed by amendment to the solicitation. If the answers to conference questions, or any solicitation amendment, create ambiguities, it is the responsibility of the offeror to seek clarification prior to

submitting a offer.

SECTION M EVALUATION FACTORS FOR AWARD

PROPOSAL EVALUATION CRITERIA - SOURCE SELECTION PROCEDURES

(a) The evaluation criteria to be used by the Contract Officer for the selection of a contractor to perform the work specified are defined below. The criteria are divided into technical and price categories which consist of subsections corresponding to those in the article entitled "INSTRUCTIONS FOR PREPARING THE TECHNICAL PROPOSAL" and the article entitled "INSTRUCTIONS FOR PREPARING THE PRICE PROPOSAL" in Section L. The technical criteria are considered by the Architect to be generally more important than price criteria. However, as the difference in technical merit between the proposals becomes less significant, the relative importance of the price will increase.

(b) **TECHNICAL CRITERIA.** Each offeror's proposal will be evaluated in accordance with the technical criteria listed below to determine whether it is responsive to the requirements of the RFP and are therefore acceptable. Technical criteria are listed below in descending order of importance:

(1) **Technical Approach.** The offeror's technical approach will be evaluated to determine if the proposed plans for scheduling and carrying out the work are efficient and effective. Higher scores will be given to those offerors whose technical approach is evaluated as being thorough, comprehensive, and effective.

(i) The proposed listing of chemicals/supplies will be evaluated to determine if it is complete relative to the requirements of the solicitation and if the proposed chemicals/supplies are appropriate for the proposed uses.

(ii) The proposed listing of tools and equipment will be evaluated to determine if it is complete relative to the requirements of the solicitation and if the proposed tools and equipment are appropriate for the proposed uses.

(iii) The proposed staffing plan will be evaluated to determine whether the proposed number of employees and the skill mix / qualifications of those employees are appropriate, and will assure the efficient completion of the work. The proposed staffing plan will also be evaluated to determine whether duty assignments are comprehensive and realistic.

(2) **Quality Control Procedures.** The offeror's quality control procedures will be evaluated by a Quality Control Manager (QCM), separate from the Contract Job Manager to determine if the methods and techniques are effective in the detection of deficiencies, and efficient in correcting deficiencies. The resume of your proposed QCM will be evaluated to determine the level of his/her qualifications to manage the quality services required by this solicitation. The offeror's proposal will be evaluated to determine the frequency, thoroughness and means of documentation. Higher scores will be given to offerors whose quality control procedures are thorough, effective and efficient.

(3) **Management Approach.** The offeror's management approach will be evaluated to determine whether the proposed plan for your corporate organization of staff resources are

efficient and effective. Higher scores will be given to offerors whose management approach is evaluated as effective, thorough and well organized.

(i) Proposals will be evaluated to determine the effectiveness of the corporate staff resources in interfacing with and providing support to the Contract Job Manager and supervisors.

(ii) Proposals will be evaluated to determine whether appropriate delegations of authority are provided to the Project Manager and supervisors to allow them to efficiently perform the contract. Proposals will also be evaluated to determine the degree of effectiveness of the proposed management approach including relevant personnel practices; management controls over the workforce; and management techniques to identify and correct performance problems.

(iii) **Key Personnel Qualifications.** The resume of your proposed Contract Job Manager will be evaluated to determine the level of his/her qualifications to manage the services required by this solicitation. Higher scores will be assigned to those offeror's whose proposed personnel have the most relevant education, training and skills. The resume will also be evaluated to determine the extent of successful participation in similar projects within the past five years, taking into consideration degree of client satisfaction for each project. Higher scores will be given to offerors whose Contract Job Manager's relevant experience is extensive and whose past performance has been highly successful.

(4) **Corporate Experience.** The offeror's janitorial experience and past performance will be evaluated to determine the extent of successful performance of similar projects within the past five years, taking into consideration timeliness and degree of client satisfaction for each project. Higher scores will be given to offerors whose experience with similar facilities is extensive and whose past performance has been highly successful.

(5) **Past Performance.** The offeror's janitorial experience and past performance will be evaluated to determine the extent of successful performance of similar projects within the past five years, taking into consideration timeliness and degree of client satisfaction for each project. Higher scores will be given to offerors whose experience with similar facilities is extensive and whose past performance has been highly successful.

(c) **PRICE CRITERIA.** The Government will evaluate the price proposals of all firms found technically qualified. Price criterion measure not only actual dollars but also analyze the realism and reasonableness of the Offeror's proposed price.

AOC52.215-5 CONTRACT AWARD - SOURCE SELECTION PROCEDURES (JUN 2004)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The Government may—

(1) Reject any or all offers if such action is in the public interest;

- (2) Accept other than the lowest offer; and
 - (3) Waive informalities and minor irregularities in offers received.
- (c) The Government intends to evaluate proposals and award a contract without discussions with offerors (except clarifications as described in FAR 15.306(a)). Therefore, the offeror's initial proposal should contain the offeror's best terms from a price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary. If the Contracting Officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range to the greatest number that will permit an efficient competition among the most highly rated proposals.
- (d) The Government may accept any item or combination of items, unless doing so is precluded by a restrictive limitation in the solicitation or the offer.
- (e) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer as provided in Paragraph (d) of this provision), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the Government.
- (f) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract. However, if the resulting contract contains a clause providing for price reduction for defective cost or pricing data, the contract price will be subject to reduction if cost or pricing data furnished is incomplete, inaccurate, or not current.
- (g) The Government may determine that an offer is unacceptable if the prices proposed are materially unbalanced between line items or sub line items. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated as indicated by the application of cost or price analysis techniques. A proposal may be rejected if the Contracting Officer determines that the lack of balance poses an unacceptable risk to the Government.

(End of provision)

EVALUATION OF OPTION(S)

- (a) Except when it is determined in accordance with FAR 17.206(b) not to be in the Government's best interests, the Contracting Officer will evaluate proposals for purposes of award of contract by adding the total of extended unit prices offered for the Base Period to the total of extended unit prices offered for the Option Year(s). The resultant sum is designated, and will be referred to as, the Total Amount.
- (b) Evaluation of Option(s) will not obligate the Government to exercise the Option(s).

(c) The Government may reject an offer if it is materially unbalanced as to prices for the Base Period

and the Option(s) quantities. A offer is unbalanced when it is based on prices significantly less than cost for some work, and prices which are significantly overstated for other work.

CHEMICALS AND SUPPLIES

1. GENERAL REQUIREMENTS

.1 The Contractor shall furnish all chemicals necessary to perform the work in accordance with the Contract Documents, and shall ascertain the appropriateness of all chemicals for their intended use on a surface or material before any actual use of the chemical.

.2 The Contractor shall use only those chemicals/supplies it listed in its proposal, and which were accepted by the Government, throughout the term of the contract, unless it obtains written permission from the Architect to make a change in accordance with the following procedure.

- .1 The Contractor shall submit a written request to the Architect of the Capitol.
- .2 This written request shall identify the product use, the brand name, the manufacturer's complete name, address, and telephone number.
- .3 The Contractor shall attach a product brochure, OSHA Form 20 and chemical specifications to the written request. The Contractor shall provide the Architect of the Capitol with a container of the chemical to be used for on-site evaluation.
- .4 At the sole discretion of the Architect of the Capitol, any chemical the Contractor wishes to substitute may be required to be submitted to an independent testing laboratory approved by the Architect of the Capitol. The Contractor shall pay the cost for evaluation and comparison to the chemical/s listed in its proposal and previously approved for use.
- .5 If the alternate brand performs as well or better than the brand included in the Contractor's proposal as determined by the Architect of the Capitol according to the procedures described above, causes no interference with the operational activities of the contract or damage to its facilities, and its substitution is in the best interest of the Architect of the Capitol, the chemical will be approved for use in the performance of the work.

2. APPLICABLE LAW

.1 The Contractor shall comply with all applicable laws, regulations and codes including but not limited to the Contractor's obligations as an employer with regard to health and safety of its employees. As a minimum, the Contractor shall:

- .1 maintain on the site of the work a copy of Occupational Safety and Health Act (OSHA) Form 20, Material Safety Data Sheet (MSDS), or approved equivalent, for all chemicals used in the performance of the work and shall provide the COTR a copy.
- .2 comply with 29 CFM 1910.1200 Hazard Communication Standard (HCS), commonly known as the "Right-to-Know" Act, including the following requirements that:
 - .1 all chemicals issued to cleaning workers shall be properly labeled, including the product name, the product use, instructions for use, dilution instructions, hazard

warnings, manufacturer's quality control batch numbers and chemical content. The HCS applies to both primary and secondary containers. Primary containers are defined as those containers used in shipping by the manufacturer. Secondary containers are defined as those containers used to distribute chemicals to the workers such as one-gallon containers and spray bottles.

- .2 the Contractor shall prepare and maintain a written Hazard Communication Program including sections describing pertinent definitions and terminology, workplace chemical hazard analysis and/or determination, an inventory listing of all chemicals to be used in the work, a copy of each MSDS, labeling and transfer rules and requirements, and a training program.
- .3 comply with 29 CFR 1910.1030 Blood Pathogens, including the requirement that the Contractor provide training and protective clothing for all employees involved in the cleaning of restrooms and clinic areas to prevent the possible transmission of disease.

3. MANUFACTURER'S INSTRUCTIONS

- .1 The Contractor shall follow the instructions of the chemical manufacturers in the use of all chemical products.

4. SLIP RESISTANCE

- .1 The Contractor shall verify that all floor finishers, seals, spray buff solutions, and other such chemicals applied to non-carpeted floors provide adequate protection against slippery floors. The Contractor shall immediately report any observed instances of slippery or slick floors to the COTR.

5. SPECIFICATIONS FOR PAPER PRODUCTS

.1 "C-Fold paper towels

- .1 **SCOPE:** "C"-Fold paper towels shall be furnished by the Contractor and shall fit existing paper towel dispensers.

.2 REQUIREMENTS:

- .1 All "C"-Fold paper towels shall be 2-ply, unglazed, white, soft and of good formation. "C"-Fold paper towels must fit and feed satisfactorily from dispensing cabinets currently in use by SECCC. Towels shall be free of holes, tears, wrinkles, lumps, shives, foreign materials, abrasive particles and other defect affecting appearance or serviceability.
- .2 All "C"-Fold paper towels supplied under this specifications must be manufactured from paper complying to the requirements for Type III, Grade A.

length of 14 inches. Each towel shall have a minimum area of 130 square inches. The folded width of each towels shall be 3 1/2 inches, with a permissible variance of plus .25 or minus .50 inches.

- .4 The basis weight (weight of 500 sheets measuring 24 inches by 36 inches) of the paper towel material provided shall be not less than 24 pounds nor more than 25 pounds.
- .5 The rate of absorption of the "C"-Fold paper towel material provided shall not be greater than 20 seconds for the absorption of 0.1 milliliter of water on any representative sample of paper towel as submitted.
- .6 The color of the "C"-Fold paper towel material provided shall be white, with a minimum brightness rating of 60 when measured in accordance with the requirement of test method T-452 of the Technical Association of the Pulp and Paper Industries (TAPPI).
- .7 The minimum water absorbency rating of the paper towel material provided shall be 240 grams when measured in accordance with the requirements of test method National Institute of Standards and Technology (NIST).
- .8 The "C"-Fold paper towels shall meet or exceed the EPA recommended minimum 40% of post consumer recovered materials as defined by the Paper Products Recovered Materials Advisory Notice II.
- .9 The "C"-Fold paper towels shall not have any disagreeable odor when dry or wet. Any disagreeable odor shall be cause for rejection.

.2 Toilet Tissue

- .1 **SCOPE:** The toilet tissue shall be provided by the Contractor and shall be of facial quality and required to fit existing paper towel dispensers.

- .2 **REQUIREMENTS:**

- .1 All toilet tissue provided by the contractor shall be 2-ply, unglazed, white, soft and of good formation.
- .2 The tissue shall be substantially free from sheaves, specks, holes, wrinkles and other imperfections in accordance with the requirement of Interim Federal Specifications UU-P-00556K for Type II, Grade A toilet tissue.
- .3 The tissue shall have a basis weight of 15.0 pounds, inclusive, for 500 24 inch x 36 inch 2-ply sheets.
- .4 Water absorption time shall not exceed 10 seconds using 0.05 milliliter of water.

- .5 Average bursting strength shall be not less than 14 points for ten 2-ply sheets, tested together. Brightness shall be not less than 70 percent.
- .6 Rolls shall be individually wrapped and shall contain not less than 500, 4.35 inch x 4.45 inch ply sheets.
- .7 The tissue shall meet or exceed EPA recommended minimum 20% of post consumer recovered materials as set forth in the Recovered Materials Advisory Notice II.

.3 Non-perforated roll paper towel

- .1 **SCOPE:** The non-perforated paper towel rolls shall be provided by the Contractor and shall be of Type IV and required to fit existing paper towel dispensers.

- .2 **REQUIREMENTS:**

- .1 All roll paper towels shall be 2-ply, unglazed, white, soft and of good formation. Roll paper towels must fit and feed satisfactorily from dispensing cabinets currently in use by SECCC. Towels shall be free of holes, tears, wrinkles, lumps, shives, foreign materials, abrasive particles and other defect affecting appearance or serviceability.
- .2 All roll paper towels supplied under this specifications must be manufactured from paper complying to the requirements for Type IV, Grade A.
- .3 Roll paper towels provided shall be a minimum width of 8 inches, with a maximum of 9 inches, and a minimum length of 400 feet and a maximum length of 800 feet.
- .4 The basis weight (weight of 500 sheets measuring 24 inches by 36 inches) of the paper towel material provided shall be not less than 24 pounds nor more than 25 pounds.
- .5 The rate of absorption of the roll paper towel material provided shall not be greater than 50 seconds for the absorption of 0.1 milliliter of water on any representative sample of paper towel as submitted.
- .6 The minimum water absorbency rating of the paper towel material provided shall be 200 grams when measured in accordance with the requirements of test method National Institute of Standards and Technology (NIST).
- .8 The roll paper towels shall meet or exceed the EPA recommended minimum 40% of post consumer recovered materials as defined by the Paper Products Recovered Materials Advisory Notice II.
- .9 The roll paper towels shall not have any disagreeable odor when dry or wet. Any disagreeable odor shall be cause for rejection.

6. TILE CLEANER

- .1 The tile in the Day Care Center shall be cleaned using "SurfaceGard Sealer™" in accordance with the directions provided by the manufacturer of the product. See the attachment entitled "SURFACEGARD SEALER" in Section J.

7. MANUFACTURERS OF DISPENSER UNITS

May 2004
CLEANING STANDARDS

Section 1 - Introduction

1.1 Purpose

This document describes the required quality standards for cleaning operations. These standards are detailed and specific for each task to achieve consistency and uniformity in how they will be performed AOC-wide. These standards will be the basis for cleanliness inspections.

1.2 Policy

It is the policy of the Architect of the Capitol to provide a high quality cleaning service to building occupants and visitors.

To do so, the AOC hereby defines its cleaning standards for application by all personnel performing cleaning tasks for the AOC.

1.3 Scope

All cleaning activities conducted in buildings where cleanliness is under the responsibility of the Architect of the Capitol.

No general exceptions are made. Specific exceptions may be indicated in the Day Cleaning Operations Manual or the Night Cleaning Operations Manual.

Standards regarding aspects specific to day care centers will be reflected in the relevant contracts (HOB and SOB only).

1.4 Responsibility

The immediate supervising position is responsible for the performance of cleaning and policing personnel. His/her duties include:

Ensure that cleaning and policing personnel achieve cleanliness levels as described in this document.

The cleaning and policing personnel are responsible for performing their assigned cleaning tasks in accordance with these Cleaning Standards.

1.5 Safety Considerations

All functions involved in the initial implementation and the ongoing application of the provisions contained in this document are expected to comply with health and safety requirements regarding employees in the workplace.

Employees are expected to work and behave in a manner consistent with AOC Safety Policies and OSHA standards and to follow safe work practices.

Whenever appropriate, employees and contractors are expected to wear the proper safety clothing or personal protective equipment (PPE) while performing their duties.

Section 2 - Procedures

2.1 General:

1. The following standards apply to both day and night cleaning operations. Jurisdictions may, within reason, alter these cleaning standards for contractors. Modifications will be specifically stated in the relevant contract.
2. During the night shift, public and private areas are systematically cleaned. During the day shift, public areas are systematically cleaned and private areas are cleaned on demand.
3. Private areas include:
 - Members' offices and private restrooms, committee rooms, other Congress Officers' rooms and suites, day care centers.
4. Public areas include:
 - Entrances, public corridors, elevators, stairways, hallways, subway platforms, public restrooms, the Press Gallery and its restrooms, Cloakrooms, balconies, courtyards, fitness areas (gym, pool, tennis court, solarium), barber and beauty shops, offices and restrooms in garages.
5. The following general instructions apply:
 - Move or tilt all items such as chairs, seats, trash and ash receptacles, tables, storage containers, carts etc. as required to perform the cleaning work adjacent to, under or above such items.
 - Return to their appropriate locations and configurations all furniture and waste and recycling containers moved during the performance of the work.
 - Use hose attachments and cleaning wands as necessary to clean furniture that cannot be moved to properly clean the suite.
6. Cleaners will report all special conditions, either cleaning or maintenance issues, identified during their tour of duty to their supervisor.

2.2 Offices, Suites, Public Areas:

1. Dusting

Dusting shall be accomplished by the complete removal of soil and shall occur from the highest surface to the lowest in order to avoid having dust and dirt to fall on previously cleaned surfaces.

Cloths used for dusting should be turned to avoid transfer of dust from one area to another.

Papers, typewriters, calculators, computers, staplers, personal items and other similar desk items are not to be disturbed.

2.6.- Tasks for the Day Cleaning Division

1. The Day Cleaning Division is specifically responsible for the cleaning of the areas described below:

Area Type	Definition	Cleaning Frequency
Public access areas (Congressional identification not required for transit)		
• Exterior areas	Entrances, stairways and landings (street side, to the sidewalk line)	At least two (2) times per day Hourly for HOB
• Interior areas	Entrances, foyers, lobbies, rotundas, corridors, stairways and landings, elevators, escalators	At least three (3) times per day Hourly for HOB
• Public Restrooms		every hour
• Other areas	Courtyards, terraces	At least two (2) times per day Hourly for HOB

Area Type	Definition	Cleaning Frequency
Restricted access areas (Congressional identification required for transit):		
• Interior areas	Tunnels, subways	At least two (2) times per day Hourly for HOB
• Special private areas	High security areas, Health Units	At least one (1) time per day. More often if required
• Child Care Center	Diaper pickup (HOB only)	At least one (1) time per day. More often if required
• Clean-on request areas	Committee rooms, offices	Only if requested

2. Since cleaning frequency during the day is higher, a slight deviation from the cleaning standards is allowed.
3. Tasks to be performed in all areas except restrooms are the following (unless stated otherwise, “to clean” means “to wipe with the appropriate solution”):

2.1. Surfaces:

- Spot-clean furniture, remove marks from walls, doors, door jamb and trim;
- Dust light fixtures, rails, ledges and radiators;
- Clean glass surfaces and mirrors, remove marks from interior glass partitions and glass door panels;
- Wipe drinking fountains with a disinfectant solution;
- Wash and polish glass entrance doors;
- Clean and polish handrails;
- Wipe elevator doors.

2.2. Floors:

- Mop up wet areas caused by spillage, accidents or inclement weather;
- Clean floor, including baseboards and splashboards, remove shoe marks, oil, grease, stains, dust;
- Vacuum carpet areas, including inside elevators;
- Damp mop stairs and landings;
- Clean walk-off mats.

2.3. Trash:

- Pick up any paper/trash from the floor, remove wads of gum;
- Empty trash receptacles and recycling containers;
- Empty cigarette ash containers ensuring that contents, especially hot ashes, are kept separated from trash, recyclables and any other flammable items;
- Spot-clean containers as required;
- Replace liners as appropriate;
- Return containers to their original location;
- Remove soiled diapers from child care centers (HOB only);
- Take trash/recyclable collected materials to the appropriate staging area.

4. Tasks to be performed in all restrooms are the following (unless stated otherwise, “to clean” means “to wipe with the appropriate solution”):

3.1. Sink areas:

- Clean restroom entrance door (inside and outside);
- Empty trash receptacles, clean if necessary and replace liners;
- Clean and restock dispensers as needed (soap, paper towels, sanitary napkins);
- Clean sinks, countertops and mirrors. Polish chrome fixtures.

3.2. Shower areas:

- Clean shower and fixtures;
- Clean shower curtains and partitions.

3.3. Stalls:

- Clean doors, including hardware, and partitions as needed, remove graffiti;
- Empty trash receptacles and sanitary napkin containers, clean if necessary and replace liners;
- Clean and restock toilet paper dispensers as needed;
- Clean toilet bowls and seats, polish chrome fixtures.

3.4. Urinal areas:

- Clean urinals, polish chrome fixtures.

3.5. Rest Areas (Ladies Restrooms only):

- Spot-clean furniture;
- Clean mirrors.

3.6. Floors:

- Mop and clean all floors (including inside stalls, under urinals, shower, sinks and rest areas) Before starting, the cleaner will position adequate barricades and signs to provide sufficient warning to users. After finishing, he/she will only remove the barricades and signs when the floors are dry.
5. Due to the microorganisms found in restrooms and to the chemicals used in cleaning, all cleaners should wear rubber gloves while cleaning these areas. Further, cloths used in cleaning and disinfecting toilets, urinals and showers should be a color readily distinguishable from cloths used on other surfaces and fixtures.

2.7.- Other Tasks**1. Other Cleaning Tasks**

- All surfaces shall be free of visible dirt, dust and other debris.

Frequency & Action	Responsible	Tools
Perform 2 times/year: ▪ Clean floor under chair mats	▪ CB: Custodial Workers and/or Night Laborers ▪ HOB Custodians with laborers (moving heavy items over 25 lbs)	▪ Vacuum Cleaners with on board tools

2. Tasks performed by Others:

The following tasks are performed by other entities:

Task	Responsible
Perform upon request ▪ Furniture shampooing ▪ Clean drapery	▪ CB: CAO (House side) & SSA (Senate side) ▪ HOB: CAO ▪ SOB: Day Upholstery Shop
Perform upon request ▪ Spot carpet cleaning	▪ CB: CAO (House side) & SSA (Senate side) ▪ HOB: CAO & Contractor ▪ SOB: Night Labor Division
Perform 1 times/year ▪ Clean blinds ▪ Clean drapery	▪ CB: CAO (House side) & SSA (Senate side) ▪ HOB: CAO & contractor ▪ SOB: Upholstery Division & Contractor
Perform 2 times/year ▪ Clean windows (interior and exterior)	▪ CB: Contractor ▪ HOB: Contractor & labor force (Interior Surfaces) ▪ SOB: Contractor 3x/Y

Section 3 – Process Control

3.1 Key Performance Indicators (KPIs)

KPIs are defined in the appropriate section of the Day Cleaning Operations manual (AOC-CP3.3) and the Night Cleaning Operations manual (AOC-CP3.1).

3.2 Records Retention Schedule

There are no record requirements for this guide.

3.3 Training

There are no training requirements for this guide.

Section 4 - Modifications

Main changes are the addition of items 1.2 Policy, 2.6 Tasks for the Day Cleaning Division, and of new Section 5 Implementation. Detailed changes list is available with Quality Management

Section 5 –Implementation

- The following is required for the implementation of this process manual:

WHO	Will do WHAT	By WHEN
Organization Managers	○ Distribute a copy of this guide to all personnel performing or supervising cleaning duties in both the day and the night shifts	Within one week of publication of this manual

PROCESS MANUAL AOC-CP3.3 – v1.0 (05/04)
May 2004
DAY CLEANING OPERATIONS

Section 1 - Introduction

1.1 Purpose

Ensure that public spaces and public restrooms in congressional office buildings under the care of the Architect of the Capitol are cleaned following high hygiene standards, providing Congressional Elected Officials, their staff and the general public with clean and sanitary facilities.

This process manual defines uniform operating procedures for conducting day cleaning tasks and their relevant quality assurance activities.

1.2 Policy

It is the policy of the Architect of the Capitol to provide a high quality cleaning service to building occupants and visitors.

To do so, the AOC has established a comprehensive set of cleaning standards (see Guide AOC-QS3.2 Cleaning Standards), as well as general procedures to guide cleaning operations, provide guidance for special situations, and define a clear methodology to conduct cleanliness inspections and assess the services being provided.

1.3 Scope

Provisions contained in this manual affect all employees who perform cleaning tasks during the day shift and all buildings in which cleanliness is under the responsibility of the Architect of the Capitol.

The following jurisdictions and buildings are cleaned by AOC personnel and therefore are directly affected by this process:

- ⇒ Capitol Building (House side, selected rooms occupied by AOC personnel on the Senate side, Crypt and Rotunda).
- ⇒ House Office Buildings: Cannon, Longworth and Rayburn buildings.

- ⇒ Senate Office Buildings: Dirksen, Hart and Russell buildings, Webster Hall Page Dormitory; Senate Child Care Center (on demand, labor division).

The following jurisdictions and buildings are cleaned by AOC selected Contractors and therefore may be affected by this process:

- ⇒ Capitol Building (House side, selected rooms occupied by AOC personnel on the Senate side, Crypt and Rotunda).
- ⇒ House Office Buildings: Ford Building (including Child Care Center).
- ⇒ Senate Office Buildings: Dirksen, Hart and Russell buildings, Webster Hall Page Dormitory; Senate Child Care Center.
- ⇒ Other buildings: Eeney, Chestnut and Gibson Memorial Building (U.S. Capitol Hill Police Headquarters), Postal Square, Thurgood Marshall building.
- ⇒ Botanic Garden.

The following jurisdictions and buildings are not serviced under AOC responsibility and therefore are not affected by this process:

- ⇒ Capitol Building, Senate side.
- ⇒ Library of Congress: Jefferson, Adams and Madison buildings.
- ⇒ Supreme Court Building.

The Capitol Power Plant, although cleaned by AOC personnel, is not contemplated in this document at the time of approval.

1.4 Responsibility

The Superintendent, the Deputy Superintendent and the Assistant Superintendents may provide guidance and support regarding the implementation of the provisions contained in this process manual.

The Assistant Superintendent assigned to cleaning tasks (Capitol Building and Senate Office Buildings jurisdictions) and the Supervisory Services and Compliance Specialist (House Office Buildings jurisdiction) are the Owners of the Day Cleaning Process. Their duties include:

- ⇒ Implement and maintain the provisions contained in this process manual;
- ⇒ Steer the Day Cleaning Division towards the achievement of AOC cleaning goals;
- ⇒ Ensure that employees have the appropriate resources to perform their duties, including training, tools, materials and equipment;
- ⇒ Inform management of issues related to this process, including identified trends and needs.
- ⇒ Consolidate data into jurisdiction Cleanliness Reports and keep appropriate records.

The Day Cleaning Division Supervisor is responsible for the performance of the cleaning tasks. This function is performed by:

- Capitol Building jurisdiction: Labor Division General Foreperson
- House Office Buildings jurisdiction: Day Cleaning Division Supervisor
- Senate Office Buildings jurisdiction: Day Labor Division Supervisor (for employees) and Building Inspectors (for contractors)

His/her duties include:

- ⇒ Take corrective action as necessary to ensure that the instructions contained in this process manual are applied;
- ⇒ Provide guidance to team leaders on how to improve their own performance and their team's;
- ⇒ Analyze and act upon trends identified in the daily inspections;
- ⇒ Ensure that employees make use of the tools, materials and equipment necessary for a safe and effective performance;
- ⇒ Conduct monthly unscheduled inspections to verify that the inspection procedure is in place and effective.

The Assistant Supervisor is responsible for the follow-up on action plans and work orders as well as to support the Supervisor. In the Capitol Building jurisdiction, this function is performed by the Labor Supervisor, Day Shift.

His/her duties include:

- ⇒ Conduct the daily follow-up on work orders and action plans and take the necessary measures to ensure quick and effective resolutions;
- ⇒ Conduct inspections to ascertain team leaders proficiency;
- ⇒ Support the Supervisor as required.

Team Leaders are responsible for the performance of AOC employees assigned to cleaning tasks. Their duties include:

- ⇒ Provide guidance to custodians and laborers on how to improve their performance;
- ⇒ Conduct daily cleanliness inspections on buildings cleaned by AOC employees;
- ⇒ Take corrective actions as necessary to ensure cleanliness level is reached.

Custodial workers and laborers (AOC employees) are responsible for performing their assigned tasks in accordance to the AOC Cleaning Standards (see Guide AOC-CP3.2) and to the procedures contained herein.

Contract Officer Representatives (COR) and Contract Job Managers are responsible for supervising contractors' performance as stated in the relevant contracts. Their duties include:

- ⇒ Manage the cleaning contract;
- ⇒ Ensure that contractors utilize the appropriate resources to perform their duties, including training, tools, materials and equipment;
- ⇒ Provide instructions on opportunities for improvement and take corrective actions as necessary to ensure cleanliness level is reached.
- ⇒ Coordinate AOC's cleanliness inspections to verify contractors' performance;
- ⇒ Keep jurisdiction management informed of progress.

Contractors are responsible for performing their assigned tasks in accordance to the AOC Cleaning Standards (see Guide AOC-CP3.2). At HOB, contractors are also required to submit a quality assurance plan prior to contract start for AOC approval.

1.5 Safety Considerations

All functions involved in the initial implementation and the ongoing application of the provisions contained in this process manual are expected to comply with health and safety requirements regarding employees in the workplace.

Employees and contractors are expected to work and behave in a manner consistent with AOC Safety Policies and OSHA standards and follow safe work practices.

Whenever appropriate, employees and contractors are expected to wear the proper safety clothing or personal protective equipment (PPE) while performing their duties.

Section 2 - Procedures

2.1 General (see flowchart)

1. AOC definition of cleanliness is detailed in Guide AOC-CP3.2 Cleaning Standards. This document is part of the AOC Quality System.
2. AOC employees will be issued the necessary equipment and cleaning supplies to perform their tasks. These include, but are not limited to, cleaning carts, mops, buckets, brooms, dust pans, rags, cleaning and disinfecting solutions. Contractors are expected to provide their own cleaning supplies and equipment.

3. Tasks assigned to contractors and their frequencies will be defined in their contracts and may vary from year to year and from jurisdiction to jurisdiction. In case of conflict between this manual and the contract, the latter will prevail.
4. Custodians and laborers are informed – and constantly reminded – of AOC Cleaning Standards by their Supervisors, through cleanliness inspections and training.
5. Contractors are informed of AOC Cleaning Standards by the Contract Officer Representative, through feedback and follow-up meetings.
6. Employees are required to use and maintain the equipment in an appropriate manner and to report to their Supervisor any malfunction or defect for prompt resolution.
7. Custodians and laborers receive ongoing informal training on work procedures, equipment and product usage from their Supervisors. Vendors might also provide informal training on equipment and supplies. Formal training is provided through the Training and Employee Development Branch of the Human Resources Management Division. No formal annual training calendar is established.
8. The AOC is not responsible for training contractors. Contractors are expected to ensure that personnel rendering their services to the AOC perform in a professional and effective manner.
9. In the SOB jurisdiction, high security areas and health units are cleaned during the day shift. In HOB, they are cleaned by both the night and day shifts. In the Capitol Building, some high security areas and the health units are cleaned during the night shift.
10. Special conditions, meaning those that require tools and/or equipment not normally available to custodians, laborers, and/or contractors (i.e.: major spills or furniture damage) are addressed below (see 2.4 Special Conditions).
11. Inspections will be conducted as described below (see 2.5 Inspections and Reporting).
12. Contractor-cleaned areas will be inspected randomly either by Building Inspectors or by the COR as appropriate.
13. The Day Cleaning Division Supervisor will prepare a monthly report to keep the Assistant Superintendent assigned to cleaning tasks (CB and SOB) and the Supervisory Services and Compliance Specialist (HOB) updated on performance. The report will contain at least the following:
 - Cleanliness level: sats/unsats
 - Issued corrective action plans and their results
 - Personnel issues: praise & areas requiring improvement
14. The Assistant Superintendent assigned to cleaning tasks (CB and SOB) and the Supervisory Services and Compliance Specialist (HOB) will prepare a semi-annual report to keep jurisdiction management updated on performance. The report will contain at least the following:
 - Performance compared to goal and trend
 - Issued corrective action plans and their results
 - Personnel issues: praise & areas requiring improvement
 - Target for following period (% of sats / % of unsats)
15. The Contract Officer Representative will keep jurisdiction management updated on contractor performance as appropriate.

2.2 Day Cleaning Areas, Frequencies, and Tasks

1. The following applies to spaces cleaned by AOC employees. Contractors' areas, tasks, and frequencies will be defined in their relevant contracts. AOC's cleaning standards will be used as basis for contractors' requirements for consistency.
2. The Day Cleaning Division is responsible for cleaning the areas described in the table below.
3. Cleaning and inspection frequency will occur as detailed in the table below.

Area Type	Definition	Cleaning/Policing Frequency	Inspection Frequency
Public access areas (Congressional identification not required for transit)			
• Exterior areas	Entrances, stairways and landings (street side, to the sidewalk line)	At least two (2) times per day Hourly at HOB	at least two (2) times per day
• Interior areas	Entrances, foyers, lobbies, rotundas, corridors, stairways and landings, elevators, escalators	At least three (3) times per day Hourly at HOB	at least three (3) times per day
• Other areas	Courtyards, terraces	At least two (2) times per day Hourly at HOB	at least two (2) times per day
• Public Restrooms		every hour	at least three (3) times per day
Restricted access areas (Congressional identification required for transit):			
• Interior areas	Tunnels, subways	At least two (2) times per day Hourly at HOB	at least two (2) times per day
• Special private areas	High security areas and health units	At least one (1) time per day. More often if required	Only if requested
• Child Care Centers	Diaper pick up (HOB only)	At least one (1) time per day. More often if required	Only if requested
• Clean-on request areas	Committee rooms, offices, daycare centers	Only if requested	Only if requested

4. Tasks to be performed in all areas except restrooms are the following (unless stated otherwise, "to clean" means "to wipe with the appropriate solution"):

4.1. Surfaces:

- Spot-clean furniture, remove marks from walls, doors, door jamb and trim;
- Dust light fixtures, rails, ledges and radiators;
- Clean glass surfaces and mirrors, remove marks from interior glass partitions and glass door panels;
- Wipe drinking fountains with a disinfectant solution;
- Wash and polish glass entrance doors;
- Clean and polish handrails;
- Wipe elevator doors and metal surfaces (buttons, button plates).

4.2. Floors:

- Mop up wet areas caused by spillage, accidents or inclement weather;
- Clean floor, including baseboards and splashboards, remove shoe marks, oil, grease, stains, dust;

- Vacuum carpet areas, including inside elevators;
 - Damp mop stairs and landings
 - Clean walk-off mats.
- 4.3. Trash:
- Pick up any paper/trash from the floor, remove wads of gum;
 - Empty trash receptacles and recycling containers;
 - Empty cigarette ash containers ensuring that contents, especially hot ashes, are kept separated from trash, recyclables, and any other flammable items;
 - Spot-clean containers as required;
 - Replace liners as appropriate;
 - Return containers to their original location;
 - Take trash/recyclable collected materials to the appropriate staging area;
 - Remove soiled diapers from Child Care Centers (HOB only).
5. Tasks to be performed in restrooms are the following (unless stated otherwise, "to clean" means "to wipe with a disinfectant solution"):
- 5.1. Sink areas:
- Clean restroom entrance door (inside and outside);
 - Empty sanitary napkins receptacles and trash cans, clean and disinfect as necessary, replace liners;
 - Clean and restock dispensers as needed (soap, paper towels, toilet paper);
 - Clean and disinfect sinks and countertops;
 - Clean mirrors. Polish chrome fixtures.
- 5.2. Shower areas:
- Clean shower and fixtures;
 - Clean shower curtains and partitions.
- 5.3. Stalls:
- Clean doors, including hardware, and partitions as needed, remove graffiti;
 - Empty trash receptacles and sanitary napkin containers, clean if necessary, replace liners;
 - Clean and restock toilet paper dispensers as needed;
 - Clean toilet bowls and seats, polish chrome fixtures.
- 5.4. Urinal areas:
- Clean urinals, polish chrome fixtures.
- 5.5. Rest Areas (Ladies Restrooms only):
- Spot-clean furniture;
 - Clean mirrors.
- 5.6. Floors:
- Mop and clean all floors (including inside stalls, under urinals, shower, sinks, and rest areas) Before starting, the cleaner will position adequate barricades and signs to provide sufficient warning to users. After finishing, he/she will only remove the barricades and signs when the floors are dry.
6. Due to the microorganisms found in restrooms and to the chemicals used in cleaning, all cleaners should wear rubber gloves while cleaning these areas. Further, cloths used in cleaning and disinfecting toilets, urinals and showers should be a color readily distinguishable from cloths used on other surfaces and fixtures.

2.3 Special Conditions (see flowchart)

1. Special Conditions are those that require tools and/or equipment not normally available to the custodian/laborer or the contractor employee. They can be either cleaning or maintenance issues:
 - ⊞ A cleaning condition occurs when a cleaning task cannot be completed within the tour of duty. Examples of cleaning conditions are: major spills, persistent stains;
 - ⊞ A maintenance condition occurs when a physical damage to the premises or an operation defect is identified and cannot be corrected by the cleaner. Examples of maintenance conditions are: leaking faucets, inoperative electrical outlets, burnt light bulbs, furniture damage.
2. Custodians/laborers and contractors will report all special conditions, either cleaning or maintenance issues, identified during their tour of duty to their team leader who will inform the Assistant Supervisor.
3. Whenever the circumstances allow for it, the Assistant Supervisor will proceed as follows:
 - Note the deficiency to open a CAFM work order;
 - If possible, affix a pre-printed self-adhesive note in the immediate vicinity of the affected item to be cleaned / repaired / maintained to inform the occupant that the AOC is aware of the condition and is addressing it (i.e.: stall door leading to mal-functioning toilet, mirror immediately above leaking faucet).
 - Open the CAFM work order as soon as possible.
4. During the following tour of duty, the Assistant Supervisor will check if the special condition has been addressed. If it hasn't, he/she will inform the Day Cleaning Division Supervisor who will ensure the condition is corrected as soon as possible.

2.4 Inspections and Reporting (see flowchart)

1. The following procedure applies to spaces cleaned by AOC employees. Contractors are expected to implement their own inspection procedures, although AOC building inspectors may verify the cleanliness level and request actions as appropriate. Contractors are encouraged to use AOC's inspection checklists for consistency.
2. Team leaders and the Assistant Supervisor (the Inspector) will conduct daily inspections. The daily frequency of inspections is detailed in the table above (see 2.2 Cleaning Areas, Frequencies, and Tasks).
3. Inspections will be conducted using the appropriate checklist contained in Section 6 of this process manual as follows:
 - ✓ Inspectors will mark items cleaned as established in the AOC Cleaning Standards as "sat". Items not meeting the criteria will be marked as "unsat".
 - ✓ Inspectors will point items marked as "unsat" to the custodian/laborer or contractor, who are expected to immediately correct the deficiency.
 - ✓ Inspectors will then re-inspect items marked as "unsat" to confirm that the deficiency has been corrected and mark the item as "sat" or "unsat" as appropriate in the inspection checklist.
 - ✓ If the item is still not clean, the inspector will indicate to the custodian/laborer or contractor what the cleaning standard is and ensure that the item is cleaned to satisfaction.
 - ✓ Maintenance deficiencies identified by the inspector during an inspection will be addressed as described above (see 2.3 Special Conditions).
4. At least once per month, the Day Cleaning Division Supervisor will conduct unscheduled inspections to verify that the inspection procedure is in place and is effective.
5. Employees' daily inspections will be sent to the Day Cleaning Division Supervisor for processing and monitoring of key performance indicators defined in Section 3.
6. If negative trends are identified, the Day Cleaning Division Supervisor will take corrective action, and follow its implementation until the trend is satisfactorily reversed.

7. The Day Cleaning Division Supervisor will summarize trends and actions in a monthly report to the Assistant Superintendent assigned to cleaning tasks (CB and SOB) or the Supervisory Services and Compliance Specialist (HOB).
8. The Assistant Superintendent assigned to cleaning tasks (CB and SOB) or the Supervisory Services and Compliance Specialist (HOB) will summarize trends and actions and inform of performance and goals in a semi-annual report to jurisdiction management.
9. The Contract Officer Representative will keep jurisdiction management updated on contractor performance as appropriate.
10. The Quality Assurance Management and Program Analyst may request reports copies for compliance and process control purposes.

2.5 Lost and Found

1. Objects found in public areas, including valuable objects such as wallets or jewelry will be deposited at the nearest U.S. Capitol Police office with a report of who turned in the item. Objects will be held for 30 days. After this period personal items will be returned to the finder while Federal Agency property will be disposed of through established procedures.
2. The U.S. Capitol Police Communications Person tracks the owner of cell phones and pagers upon receipt of the article.

Section 3 – Process Control

3.1 Key Performance Indicators (KPIs)

1. The goal of this instruction is two-fold:
 - ⇒ improve public areas cleanliness and hygiene, minimize customer complaints, and address customer concerns by meeting their expectations of clean well stocked, and appealing public restrooms;
 - ⇒ support continuous improvement of the workforce assigned to the Day Policing Division.
2. The following items will be used to measure the effective application of this instruction:
 - Number of inspections
 - Number of sats per building
 - Number of unsats per employee (not applicable to contractors)
3. This instruction will be deemed effective in achieving the goal if:
 - Number of inspections is as required or higher, but not lower (data significance)
 - Number of sats for the building is stable or increasing, but not decreasing (improvement)
 - Number of individual unsats is decreasing or stable, but not increasing (efficiency)
4. Note: Custodians' and laborers' individual scores will be used to measure the degree of employee performance and determine if further training or coaching is needed.
5. Contractors' performance indicators will be defined in their respective contracts. The COR will measure and follow-up on them. CORs are encouraged to adopt the same KPIs as for AOC employees for consistency.
6. Two years after the initial application of this Process Manual, KPIs will be updated to reflect the evolution of this activity.

3.2 Records Maintenance Schedule

1. Records necessary to the correct registry of the process are the following
 - Inspections: To be maintained by the Supervisor for three months
 - Monthly reports: To be maintained by the Supervisor for one year

- Semi-annual reports: To be maintained by Process Owners for two years

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$3.01 per hour or \$120.40 per week or \$521.73 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: HOLIDAYS: A minimum of ten paid holidays per year, New Year's Day, Martin Luther King Jr's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another

day off with pay in accordance with a plan communicated to the employees involved.)
(See 29 CFR 4174)

THE OCCUPATIONS WHICH HAVE PARENTHESES AFTER THEM RECEIVE THE FOLLOWING BENEFITS (as numbered):

- 1) Does not apply to employees employed in a bona fide executive, administrative, or professional capacity as defined and delineated in 29 CFR 541. (See CFR 4.156)
- 2) APPLICABLE TO AIR TRAFFIC CONTROLLERS ONLY - NIGHT DIFFERENTIAL: An employee is entitled to pay for all work performed between the hours of 6:00 P.M. and 6:00 A.M. at the rate of basic pay plus a night pay differential amounting to 10 percent of the rate of basic pay.
- 3) WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employee (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

HAZARDOUS PAY DIFFERENTIAL: An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving regrading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract

(either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

** NOTES APPLYING TO THIS WAGE DETERMINATION **

Under the policy and guidance contained in All Agency Memorandum No. 159, the Wage and Hour Division does not recognize, for section 4(c) purposes, prospective wage rates and fringe benefit provisions that are effective only upon such contingencies as "approval of Wage and Hour, issuance of a wage determination, incorporation of the wage determination in the contract, adjusting the contract price, etc." (The relevant CBA section) in the collective bargaining agreement between (the parties) contains contingency language that Wage and Hour does not recognize as reflecting "arm's length negotiation" under section 4(c) of the Act and 29 C.F.R. 5.11(a) of the regulations. This wage determination therefore reflects the actual CBA wage rates and fringe benefits paid under the predecessor contract.

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations," Fifth Edition, April 2006, unless otherwise indicated. Copies of the Directory are available on the Internet. A links to the Directory may be found on the WHD home page at <<http://www.dol.gov/esa/whd/>> or through the Wage Determinations On-Line (WDOL) Web site at <<http://wdol.gov/>>.

REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE {Standard Form 1444 (SF 1444)}

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable

relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed classes of employees shall be paid the monetary wages and furnished the fringe benefits as are determined. Such conforming process shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees. The conformed classification, wage rate, and/or fringe benefits shall be retroactive to the commencement date of the contract. {See Section 4.6 (C)(vi)} When multiple wage determinations are included in a contract, a separate SF 1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation) and computes a proposed rate).
- 2) After contract award, the contractor prepares a written report listing in order proposed classification title), a Federal grade equivalency (FGE) for each proposed classification), job description), and rationale for proposed wage rate), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, for review. (See section 4.6(b)(2) of Regulations 29 CFR Part 4).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour decision to the contractor.
- 6) The contractor informs the affected employees.

Information required by the Regulations must be submitted on SF 1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" (the Directory) should be used to compare job definitions to insure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination.

NOTICE TO CONTRACTORS

The Architect of the Capitol anticipates that in 2006 the agency's contractors will have to register with the Central Contractor Registration (CCR) database. This is the primary vendor database for the U.S. Federal Government and the CCR collects, validates, stores, and disseminates data in support of agency acquisition missions.

Registration in the CCR will become mandatory in order to be awarded contracts by the Federal Government. Vendors are required to complete a one-time registration to provide basic information relevant to procurement and financial transactions. Vendors must update or renew their registration at least once per year to maintain an active status.

CCR validates the vendor information and electronically shares the secure and encrypted data with the federal agencies finance offices to facilitate paperless payments through electronic funds transfer (EFT).

The AOC is now encouraging all vendors to register with the CCR if they are not already registered. Vendors can register on line at <http://www.ccr.gov>. This internet site contains all pertinent information for registration as well as provides contact points for help when registering.
